### *Analysis by the Legislative Reference Bureau*

Under current law, a recreational mobile home is exempt from the personal property tax if the mobile home is no larger than 400 square feet and is used primarily as temporary living quarters for recreational, camping, travel, or seasonal purposes. Under this bill, a recreational mobile home is exempt from the personal property tax if the mobile home is no larger than 400 square feet and is used primarily as temporary living quarters for recreational, camping, travel, or seasonal purposes. The exemption, however, does not apply to any aftermarket addition, attachment, annex, foundation, or appurtenance adjoining or affixed to a recreational mobile home.

This bill will be referred to the Joint Survey Committee on Tax Exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
