Analysis by the Legislative Reference Bureau

Under current law, with limited exceptions, an owner of a motorboat or a larger sailboat (boat), a snowmobile, or an all-terrain vehicle (ATV) must register the boat, snowmobile, or ATV with the Department of Natural Resources and must pay a registration fee. Upon registration, the owner is issued a certificate of number for a boat or a registration certificate for a snowmobile or an ATV. Exceptions to these registration requirements include boats, snowmobiles, and ATVs that are registered in other states or that are being used exclusively in racing competitions in this state. This bill creates an additional exemption for a boat, snowmobile, or ATV that is in the state for not more than 15 days and that is used exclusively as part of an advertisement being made for the manufacturer of the boat, snowmobile, or ATV.
