### *Analysis by the Legislative Reference Bureau*

This bill deletes from the 2001-03 authorized state building program a project for DHFS identified as "Transitional halfway house," which would have been for placing sexually violent persons on supervised release. The project was to be funded with \$1,295,500 in general fund supported borrowing. The bill also reduces the amount of general fund supported debt that the state may incur by the same amount.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
