

## 2005 SENATE BILL 676

March 28, 2006 – Introduced by Senator BRESKE, cosponsored by Representative VRUWINK. Referred to Committee on Natural Resources and Transportation.

1     **AN ACT** *to amend* 350.12 (3) (b) of the statutes; **relating to:** the registration of  
2             antique snowmobiles.

---

### *Analysis by the Legislative Reference Bureau*

Under current law, the owner of a snowmobile that has a model year of 1966 or earlier may register the snowmobile with the Department of Natural Resources as an antique snowmobile. Registration of a snowmobile as an antique snowmobile entitles the owner to registration decals of a distinctive nature and exempts the owner from having to reregister the snowmobile during the time that he or she owns it.

Under this bill, the owner of a snowmobile that is at least 30 years old at the time that the owner applies for registration may register the snowmobile as an antique snowmobile.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
