March 19, 2007 - Introduced by Representatives SCHNEIDER and TOLES, cosponsored by Senator CARPENTER. Referred to Committee on Judiciary and Ethics.

1 **AN ACT to create** 943.29 of the statutes; **relating to:** fuel price gouging and
2 providing a penalty.

Analysis by the Legislative Reference Bureau

This bill prohibits a retail or wholesale seller of petroleum-based fuel (such as gasoline, diesel fuel, propane, or liquefied petroleum gas) from increasing the fuel's price by more than the amount of any concurrent increase in the person's acquisition, production, distribution, or operating costs. A person who violates this prohibition may be fined not more than \$25,000, sentenced to a term of imprisonment of not more than 12.5 years (which, if the sentence is for more than one year, includes a term of confinement and a term of extended supervision), or both.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.
