---

### *Analysis by the Legislative Reference Bureau*

This bill creates a nine-member task force to study the responsibilities and obligations of county government and to develop a plan to reduce the number of counties in this state from 72 to 18 or fewer. Two members of the task force are appointed by the governor, three members are appointed by the president of the senate, three members are appointed by the speaker of the assembly, and one member is appointed by the Wisconsin Counties Association.

The bill requires that the task force submit a written proposal for reducing the number of counties to the Joint Committee on Finance (JCF) by January 15, 2011. If the cochairpersons of JCF do not notify the task force chairperson that JCF has scheduled a meeting for the purpose of reviewing the task force's proposal within 14 working days after the proposal's submission to JCF, the proposal must be submitted to the Legislative Reference Bureau (LRB) for drafting. If, within 14 working days after the date of the proposal's submission, the cochairpersons of JCF notify the task force chairperson that JCF has scheduled a meeting for the purpose of reviewing the proposal, the proposal may be submitted to the LRB only upon approval of JCF, however the bill requires JCF to submit such a proposal to the LRB for drafting not later than April 15, 2011.

The bill also requires that a proposal that is submitted for drafting must be prepared by the LRB not later than November 1, 2011.
