1 **AN ACT** *to repeal* 29.569 (2); and *to amend* 29.569 (1) of the statutes; **relating**
2 **to:** hunting of deer during the open bow hunting season.

Analysis by the Legislative Reference Bureau

Current law, with limited exceptions, prohibits a person who is issued a deer hunting license that authorizes hunting deer with a bow and arrow during the open deer bow hunting season from using the license until three days after it is issued. This bill repeals this prohibition.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 29.569 (1) of the statutes is amended to read:
4 29.569 (1) SPECIFICATION OF EFFECTIVE PERIODS; RESTRICTIONS. Unless an
5 approval issued under this chapter is suspended or revoked or unless another section
6 of this chapter specifically provides otherwise, the approval is valid for the period or
7 season specified on the face of the approval or on an attachment to the approval. In
8 addition to any other restriction under this chapter, no license may be issued if that
9 issuance is restricted under sub. ~~(2)~~ or (3).
