### *Analysis by the Legislative Reference Bureau*

This bill prohibits a school district from being a member of an interscholastic athletic association unless the association agrees to be governed by the public records and open meetings laws. Currently, there is no similar prohibition.

The bill also provides that any interscholastic athletic association that elects to be governed by the public records and open meetings laws is covered under those laws. Under the public records law, except as otherwise provided by law, any person has the right to inspect or copy a public record unless the custodian demonstrates that the public interest in withholding access to the information contained in the record outweighs the strong public interest in providing access to that information. Under the open meetings law, with certain exceptions, meetings of governmental bodies must be preceded by public notice, must be held in places that are reasonably accessible to the public, and must be open to the public at all times. If a meeting is properly noticed, a body may, by recorded vote of a majority of the members present,
