### *Analysis by the Legislative Reference Bureau*

Under current law, the Wisconsin Housing and Economic Development Authority (WHEDA) administers the small business development loan guarantee program (program). Under the program, WHEDA may guarantee repayment of up to the lesser of \$200,000 or 80 percent of the principal of a loan made by a private lender to a small business or the elected governing body of a federally recognized American Indian tribe in this state. A small business development loan that is guaranteed by WHEDA may be used for expenses associated with the expansion or acquisition of a business, with the start-up of a day care business, or the start-up of a small business in a vacant storefront in the downtown area of a rural community. Under current law, a “small business” means a business that employs fewer than 50 full-time employees.

This bill makes the following changes to the program:

1. The cap on the amount of a loan that may be guaranteed under the program is raised from \$200,000 or 80 percent of the principal of the loan to \$500,000 or 80 percent of the principal of the loan.

**ASSEMBLY BILL 294**

2. The definition of “small business” is expanded from businesses that employ up to 50 full-time employees to businesses that employ up to 250 full-time employees.

3. The requirement that the owner of a small business be actively engaged in the small business in order to qualify for the program is deleted.

4. The permitted use of proceeds of a loan for the start-up of a small business in a vacant storefront in a downtown area is expanded to apply to a community of any size by removing the limitation to rural communities.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
