### ***Analysis by the Legislative Reference Bureau***

This bill authorizes each individual filing a state income tax return who has a tax liability or is owed a refund to designate that \$1 of general purpose revenue be transferred to an election campaign fund administered by the Government Accountability Board (GAB) and the state treasurer. Under the bill, any candidate for a partisan state office, except district attorney, who receives at least 6 percent of

**ASSEMBLY BILL 298**

the total vote cast on all ballots for the office the candidate seeks at the partisan primary and whose name is certified as a candidate in the general election is eligible to receive a grant from the fund to finance campaign expenses. The bill places the names of independent candidates on the partisan primary ballot in order to permit these candidates to qualify to receive grants. However, as under current law, a voter who votes for a party candidate for any office is not permitted to vote for any candidates not representing that party, including independent candidates. The independent candidates continue to appear on the general election ballot regardless of the number of votes they receive at the primary. A candidate for state superintendent of public instruction or justice of the supreme court who is nominated at the primary may also qualify to receive grants. In addition, a candidate for a state office at a special partisan election may qualify to receive a grant if he or she represents a party whose candidate for the same office at the most recent general election received at least 6 percent of the total vote cast for the office or if he or she actually receives at least 6 percent of the total vote cast for the office at the special election. A candidate whose name appears on the ballot at a special election for the office of state superintendent may also qualify.

The moneys in the fund are apportioned as follows: 1) in those years in which there is an election for supreme court justice, candidates for that office may receive 8 percent of the money in the fund which is divided equally among them; 2) in those years in which there is an election for state superintendent, candidates for that office may receive 8 percent of the money in the fund which is divided equally between them; 3) the remainder is apportioned among the candidates for partisan state executive offices, who may receive 25 percent of the remaining money in the fund, and candidates for legislative office, who may receive 75 of the remaining money in the fund. The fund is further apportioned among candidates for the executive offices according to a specified formula. All eligible candidates for the same office may receive equal grants. If a candidate for an office does not accept a grant, the amount for which the candidate could have qualified is potentially payable to any opposing candidates for the same office who accept grants. To complete his or her qualification, a candidate must receive contributions of money from individuals during a specified period in amounts of \$100 or less cumulatively from each individual. For a candidate for a statewide office or any candidate at a special election, the contributions must equal at least 5 percent of the candidate's statutory disbursement (expenditure) level. For other candidates, the contributions must equal at least 10 percent of the candidate's statutory disbursement level. A candidate for an office who accepts a grant must agree to abide by the statutory disbursement level unless the candidate is opposed by a candidate whose name appears on the ballot and who receives at least 6 percent of the total vote for the same office at the primary if a primary was held and that candidate does not accept a grant or does not abide by the statutory disbursement level. As under current law, a candidate who does not accept a grant is not bound by any disbursement level, but such a candidate may voluntarily agree to abide by the disbursement level by filing an affidavit with GAB affirming that intention.

**ASSEMBLY BILL 298**

Under the bill, grants are paid directly to each eligible candidate. Grants may be used only for office supplies or postage, or for the purchase of services from printers, graphic arts or advertising providers, or communications media. A candidate must return any unspent and unencumbered grant moneys to the state.

Under current law, no candidate for state office may receive more than 45 percent of his or her statutory disbursement level from committees other than political party committees. The bill treats grant moneys as committee contributions, thus reducing the amount of nonparty committee contributions that a candidate who accepts a grant may receive. The maximum amount that a candidate may receive is that amount, when added to all other nonparty committee contributions received by the candidate, equal to 45 percent of the candidate's disbursement level. If there is insufficient money within any account in the fund to make full payment of the grants to which all eligible candidates are entitled at any election, GAB is directed to proportionally reduce grant payments.

The bill transfers \$1,128,600 from the general fund to the Wisconsin election campaign fund, which is approximately equivalent to the amount that was transferred from the campaign fund to the general fund in 2011 when the campaign fund existed under former law. Under the bill, initial grants are payable at the first election that follows the day the bill becomes law by at least 60 days, but the initial transfer of moneys from income tax designations is made on August 15 following the calendar or taxable year in which the first designations are made.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

22 Wisconsin election campaign fund may make or authorize total disbursements from

9 in the form of money, when disbursed.

10 **SECTION 43.** 11.31 (10) of the statutes is created to read:

15 **SECTION 44.** 11.50 of the statutes is created to read:

16 **11.50 Wisconsin election campaign fund. (1) DEFINITIONS.** For purposes  
17 of this section:

18 (a) "Eligible candidate" means:

19 1. With respect to a spring or general election, any individual who is certified  
20 under s. 7.08 (2) (a) as a candidate in the spring election for justice or state

12 special election; and who qualifies for a grant under sub. (2). Where the boundaries

14 general election such that it is not possible to calculate the exact number of votes that  
15 are needed by that individual to qualify as an eligible candidate prior to an election  
16 under this subdivision, the number of votes cast for all candidates for the office at the  
17 preceding general election in each ward, combination of wards or municipality which  
18 is wholly contained within the boundaries of the newly formed district shall be  
19 calculated. If the candidate of the political party on whose ballot or column the

10   this chapter.

11           **(2) PARTICIPATION; APPLICATION.** (a) Any individual who desires to qualify as an  
12   eligible candidate may file an application with the board requesting approval to  
13   receive a grant from the fund. Except as provided in par. (e), the application shall be  
14   filed no later than the applicable deadline for filing nomination papers under s. 8.10  
15   (2) (a), 8.15 (1), 8.20 (8) (a), or 8.50 (3) (a), no later than 4:30 p.m. on the 7th day after  
16   the primary or date on which the primary would be held if required in the case of  
17   write-in candidates, or no later than 4:30 p.m. on the 7th day after appointment in  
18   the case of candidates appointed to fill vacancies. The application shall contain a  
19   sworn statement that the candidate and his or her authorized agents have complied  
20   with the contribution limitations prescribed in s. 11.26 and the disbursement  
21   limitations prescribed under s. 11.31 at all times to which those limitations have  
22   applied to his or her candidacy and will continue to comply with the limitations at  
23   all times to which the limitations apply to his or her candidacy for the office in  
24   contest, unless the board determines that the candidate is not eligible to receive a

**ASSEMBLY BILL 298****SECTION 44**

1 grant, the candidate withdraws his or her application under par. (h), or par. (i)  
2 applies.

3 (b) The board shall approve the application of an eligible candidate for  
4 participation if all of the following apply:

5 1. The application is timely.

6 2. The candidate is certified under s. 7.08 (2) (a) or 8.50 (1) (d) to appear upon  
7 the spring, general, or special election ballot.

8 3. The candidate has an opponent who is certified for placement on the election  
9 ballot as a candidate for the same office.

10 4. The financial reports filed by or on behalf of the candidate as of the date of  
11 the spring or partisan primary, or the date that the special primary is or would be  
12 held, if required, indicate that his or her statement filed with the application under  
13 par. (a) is true.

14 5. The financial reports filed by or on behalf of the candidate as of the date of

16 held, if required, indicate that the candidate has received at least the amount  
17 provided in this subdivision, from contributions of money, other than loans, made by  
18 individuals, which have been received during the period ending on the date of the  
19 spring primary and beginning on July 1 preceding that date in the case of candidates  
20 at the spring election, or ending on the date of the partisan primary and beginning  
21 on January 1 preceding that date in the case of candidates at the general election,  
22 or ending on the date that a special primary will or would be held, if required, and  
23 beginning 90 days preceding such date or on the date a special election is ordered,  
24 whichever is earlier, in the case of special election candidates, which contributions  
25 are in the aggregate amount of \$100 or less, and which are fully identified and

**ASSEMBLY BILL 298**

1 itemized as to the exact source thereof. A contribution received from a conduit which  
2 is identified by the conduit as originating from an individual shall be considered a  
3 contribution made by the individual. Only the first \$100 of an aggregate contribution  
4 of more than \$100 may be counted toward the required percentage. For a candidate  
5 at the spring or general election for an office identified in s. 11.26 (1) (a) or a candidate  
6 at a special election, the required amount to qualify for a grant is 5 percent of the  
7 candidate's authorized disbursement limitation under s. 11.31. For any other  
8 candidate at the general election, the required amount to qualify for a grant is 10  
9 percent of the candidate's authorized disbursement limitation under s. 11.31.

10 (c) If a candidate has not filed financial reports as of the date of the spring  
11 primary, partisan primary, special primary, or date that the special primary would  
12 be held, if required, which indicate that he or she has met the qualification under par.  
13 (b) 5., the candidate may file a special report with the board. The report shall be filed  
14 not later than the 7th day after the primary, or 7th day after the date the primary  
15 would be held, if required, and shall include such supplementary information as to  
16 sources of contributions which may be necessary to complete the candidate's  
17 qualification. The special report shall cover the period from the day after the last date  
18 covered on the candidate's most recent report, or from the date on which the first  
19 contribution was received or the first disbursement was made, whichever is earlier,  
20 if the candidate has not previously filed a report, to the date of the report. All  
21 information included on the special report shall also be included in the candidate's  
22 next report under s. 11.20.

23 (d) For purposes of qualification under par. (b) 4. and 5., the financial reports  
24 of a former candidate are considered to be the same as if filed by the candidate who

**ASSEMBLY BILL 298****SECTION 44**

1 is lawfully appointed to replace that candidate whenever a vacancy after nomination  
2 occurs.

3 (e) Whenever a candidate who files nomination papers is unopposed on the  
4 deadline for filing the papers but is later opposed by a write-in candidate who  
5 qualifies for ballot placement, the application deadline under par. (a) is the same for  
6 the candidate who files nomination papers as for his or her opponent.

7 (f) The board shall inform each candidate in writing of the approval or  
8 disapproval of the candidate's application, as promptly as possible after the date of  
9 the spring primary, partisan primary, special primary, or date that the primary  
10 would be held, if required. With respect to a candidate at a special election who  
11 applies for a postelection grant under sub. (1) (a) 2., the board shall inform the  
12 candidate in writing of the conditional approval or disapproval of the candidate's  
13 application at the same time.

14 (g) A candidate who voluntarily files an application to receive a grant in  
15 accordance with this subsection accepts and agrees to comply with the contribution  
16 limitations prescribed in s. 11.26 and the disbursement limitations imposed under  
17 s. 11.31 as binding upon himself or herself and his or her agents during the campaign  
18 as defined in s. 11.31 (7), as a precondition to receipt of a grant under this section,  
19 unless the board determines that the candidate is not eligible to receive a grant, the  
20 candidate withdraws the application under par. (h), or par. (i) applies.

21 (h) An eligible candidate who files an application under par. (a) may file a  
22 written withdrawal of the application. A withdrawal of an application may be filed  
23 with the board no later than the 7th day after the day of the primary in which the  
24 person withdrawing the application is a candidate or the 7th day after the date that  
25 the primary would be held, if required. If an application is withdrawn in accordance

**ASSEMBLY BILL 298**

1 with this paragraph, the person withdrawing the application is no longer bound by  
2 the statement filed under par. (a) after the date of the withdrawal.

3 (i) Notwithstanding par. (g), if an eligible candidate at the spring election or a  
4 special nonpartisan election who accepts a grant is opposed by one or more  
5 candidates in the election, or if an eligible candidate at the general election or a  
6 special partisan election who accepts a grant is opposed by one or more candidates  
7 in the election who receive at least 6 percent of the vote cast for all candidates for the  
8 same office on all ballots at the partisan primary or a special primary if a primary  
9 was held, and in either case if any such opponent of the eligible candidate does not  
10 accept a grant under this section in whole or in part, the eligible candidate is not  
11 bound by the pledge made in his or her application to adhere to the contribution  
12 limitations prescribed in s. 11.26 and the disbursement limitation prescribed under  
13 s. 11.31, unless each such opponent files an affidavit of voluntary compliance under  
14 s. 11.31 (2m).

15 **(3) NONPARTISAN CANDIDATES.** (a) Annually on August 15, all moneys  
16 appropriated to the fund shall be apportioned as follows by the state treasurer:

17 1. If an election for state superintendent is scheduled in the following year, 8  
18 percent of the fund shall be placed in a superintendency account. From this account,  
19 an equal amount shall be disbursed to the campaign depository account of each  
20 eligible candidate by the state treasurer.

21 2. If an election for justice is scheduled in the following year, 8 percent of the  
22 fund shall be placed in a justice account. From this account, an equal amount shall  
23 be disbursed to each eligible candidate by the state treasurer.

24 3. The balance shall be apportioned under sub. (4).

**ASSEMBLY BILL 298****SECTION 44**

1 (b) If a vacancy occurs in the office of state superintendent after August 15 in  
2 any year and an election is scheduled to fill the vacancy at the spring election in the  
3 following year, the state treasurer shall transfer an amount not exceeding 8 percent  
4 of the moneys transferred to the fund on the preceding August 15 to the account for  
5 the office in which the vacancy occurs, those moneys to be drawn from any account  
6 within the accounts created under sub. (4) in the amount or amounts specified by the  
7 board.

8 (4) PARTISAN AND SPECIAL ELECTION CANDIDATES. (a) After apportionment under  
9 sub. (3), the remaining moneys shall constitute the partisan campaign account.

10 (b) In the partisan campaign account, 25 percent of the moneys shall be  
11 apportioned into an executive campaign account and 75 percent of the moneys shall  
12 be apportioned into a legislative and special election campaign account.

13 (c) The executive campaign account shall be divided into accounts for each  
14 executive office as provided in this paragraph. The apportionment of moneys in the  
15 executive campaign account shall be made as follows:

16 1. Sixty-seven percent to be apportioned between all eligible candidates for  
17 governor.

18 2. Eight percent to be apportioned between all eligible candidates for  
19 lieutenant governor.

20 3. Seventeen percent to be apportioned between all eligible candidates for  
21 attorney general.

22 4. Four percent to be apportioned between all eligible candidates for state

24 5. Four percent to be apportioned between all eligible candidates for secretary  
25 of state.

**ASSEMBLY BILL 298****SECTION 44**

1 (d) The legislative and special election campaign account shall be divided into  
2 a senate campaign account to receive 25 percent of the moneys and an assembly  
3 campaign account to receive 75 percent of the moneys. Each account shall then be  
4 apportioned between all eligible candidates for the same office in the entire state. No  
5 apportionment shall be made by legislative district.

6 (e) Each eligible candidate for the same office at a special election shall receive  
7 an amount equal to the maximum grant that was payable to any candidate for that  
8 office at the most recent spring or general election. The amount shall be drawn from  
9 the senate campaign account and the assembly campaign account in the same  
10 proportions as the balance in each account bears to the total balance in both accounts  
11 at the time that payments are made. Whenever there are insufficient moneys in the  
12 senate campaign account and the assembly campaign account to make the payments  
13 required by this paragraph, payments shall be proportionately reduced or  
14 discontinued by the board.

15 (f) Within the accounts established under this subsection for each office at each  
16 general election, the entire amount of all available moneys shall be apportioned  
17 equally to all eligible candidates.

18 **(5)** TIME OF DISBURSEMENT. The state treasurer shall make the disbursements  
19 to the campaign depository account of each eligible candidate under subs. (3) and (4)  
20 by the end of the 3rd business day following notice from the board under s. 7.08 (2)  
21 (c) or (cm).

22 **(5m)** COMBINATION OF ACCOUNTS. Eligible candidates for governor and
