1     **AN ACT relating to:** grants for farm to school programs and making an  
2     appropriation.

---

***Analysis by the Legislative Reference Bureau***

Current law authorizes the Department of Agriculture, Trade and Consumer Protection to make grants for programs to connect schools with nearby farms to provide children with locally produced foods, provide nutritional and agricultural education, and improve farmers' incomes. The 2013-15 budget act, 2013 Wisconsin Act 20, did not provide funding for these farm to school grants. This bill provides funding for farm to school grants in fiscal years 2015-16 and 2016-17.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
