### *Analysis by the Legislative Reference Bureau*

This bill adds Christian Schools International to the list of entities that are accrediting agencies and preaccrediting agencies for purposes of the Milwaukee Parental Choice Program, the Racine Parental Choice Program, and the statewide parental choice program (collectively, "choice programs"). This bill also adds Christian Schools International to the list of entities from which accreditation may qualify a private school to participate in the Special Needs Scholarship program.

Under current law, the following are accrediting agencies under the choice programs:

1. Wisconsin North Central Association.
2. Wisconsin Religious and Independent Schools Accreditation.
3. Independent Schools Association of the Central States.
4. Wisconsin Evangelical Lutheran Synod School Accreditation.
5. National Lutheran School Accreditation.
6. Wisconsin Association of Christian Schools.
7. The diocese or archdiocese within which a private school is located.
8. Any other organization recognized by the National Council for Private School Accreditation.

**SENATE BILL 467**

Under current law, the list of preaccrediting agencies for choice programs is the same as the list of accrediting agencies for choice programs except that the list of preaccrediting agencies also includes the Institute for the Transformation of Learning at Marquette University and does not include a category for any other organization recognized by the National Council for Private School Accreditation.

Additionally, under current law, the list of entities from which accreditation may qualify a private school to participate in the Special Needs Scholarship program is the same as the list of accrediting agencies for choice programs except that the Special Needs Scholarship program list does not include Wisconsin Association of Christian Schools.
