2 **amend** 450.09 (8) (a); **to amend** 450.11 (1); and **to create** 450.11 (1a) of the
3 statutes; **relating to:** various changes to the pharmacy practice law and
4 modifying rules promulgated by the Pharmacy Examining Board.

Analysis by the Legislative Reference Bureau

This bill makes various changes to the pharmacy practice law and to administrative rules promulgated by the Pharmacy Examining Board, described as follows:

1. The bill repeals a requirement that a license issued by the board be displayed in the place of practice.

2. The bill provides that a prescription order entered on the chart or medical record of an inpatient or resident of a health care facility is not required to include the address of the practitioner, which is otherwise required for other prescription orders.

3. The bill modifies the definition of "long term care facility" in the rules promulgated by the board to conform it to a definition used in similar regulations adopted by the federal Drug Enforcement Administration. The definition is used in various provisions in the rules relating to prescriptions for controlled substances.

4. The bill repeals a requirement that every pharmacy be equipped with proper pharmaceutical utensils for compounding and dispensing prescriptions and a requirement that the board prescribe, by rule, minimum standards of professional
