1 **AN ACT** *to amend* 343.14 (2) (j); and *to create* 343.01 (2) (j) of the statutes;
2 **relating to:** indication of veteran status on an operator's license or

Analysis by the Legislative Reference Bureau

Under current law, a veteran of the U.S. armed forces may elect to indicate his or her veteran status on his or her Wisconsin operator's license or identification card. "Veteran" is a defined term that includes individuals who have served a specified period of active duty in the U.S. armed forces.

This bill creates a definition of "veteran" that includes any current or former member of the U.S. armed forces, a reserve unit of the U.S. armed forces, or the national guard for the purpose of enabling such a person to indicate on his or her operator's license or identification card that he or she is a veteran.
