

2021 ASSEMBLY BILL 636

October 21, 2021 - Introduced by Representatives DALLMAN, ARMSTRONG, DITTRICH, DUCHOW, KUGLITSCH, MURSAU and SPIROS, cosponsored by Senators COWLES, FEYEN and STROEBEL. Referred to Committee on Transportation.

1 **AN ACT** *to create* 85.52 (6) of the statutes; **relating to:** publishing and reporting
2 requirements for the transportation infrastructure loan program.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Transportation to publish and report various information relating to the transportation infrastructure loan program.

Under the program under current law, DOT is authorized to make loans and provide other assistance to eligible applicants for highway projects or transit capital projects. Funding for the program is provided from the transportation infrastructure loan fund, a nonlapsible trust fund.

The bill requires DOT to publish on the agency's Internet site 1) the application and application process for participation in the program, 2) information on each project receiving funding, and 3) information regarding interest earned from investments of the loan fund. The bill also requires DOT to report each new agreement for a loan or other assistance under the program to the legislature.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 85.52 (6) of the statutes is created to read:
