

## 2023 ASSEMBLY BILL 683

November 27, 2023 – Introduced by Representatives GUSTAFSON, NEYLON, BALDEH, GREEN, KRUG, MURPHY, O'CONNOR, RETTINGER, ROZAR, SPIROS, TITTL and TRANEL, cosponsored by Senators COWLES and STROEBEL. Referred to Committee on Energy and Utilities.

1     **AN ACT to amend** 196.03 (4) of the statutes; **relating to:** the amount certain  
2             public utilities may recover in rates relating to amounts assessed by the Public  
3             Service Commission.

---

### *Analysis by the Legislative Reference Bureau*

This bill lowers the total amount that certain public utilities can recover in rates for PSC proceeding expenditures.

Under current law, a public utility, sewerage system, or power district (collectively, utility) may not raise the rates that it charges to customers without first applying to the PSC for approval of the change. The PSC may assess to utilities certain amounts corresponding to the PSC's expenditures in carrying out its duties relating to utilities. Generally under current law, a public utility that supplies gas or electricity to its customers and that is not a city, town, or village may recover in rates any expenditure for costs in a proceeding before the PSC up to four times the total amount assessed to that public utility by the PSC. This bill reduces this limit to the total amount assessed to that public utility by the PSC.

---

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

4             **SECTION 1.** 196.03 (4) of the statutes is amended to read:
