Peter Vanderloo (budget) - WI Veterinary Medical Assn.

- proposed cuts to Div. of Animal Health
- need surveillance + control programs

al

How does WI rank?

- WI livestock has good reputation
- states around us also very interested in animal disease control.

Robert G. Britt - (budget) - moving Intl. Agri-Business Center to Dept. of Comm.

- in any other country, intl. purchasing is handled by Minister of Ag, Sec. of Ag, etc.

- ag is assoc. w/ living, breathing things - commerce is assoc. w/ metal, wood

- people may not find him + his company when they want to buy an ag product - they won't know to go to Commerce

- 3,250 foreign visitors to World Dairy Expo in 1994
* do

- our intl. markets could go to other states - WI is now one of the premier intl. ag marketing states along w/ Illinois, California

- ag trade is a success story in WI today - why fix something that isn't + broke?

Bob Brown American Ag - Int International

former Illinois director of Int. Agri - Bus. Center (ag + v)

11 states (Ohio) have transferred Commerce Depts. - all (except Minn. where a bill has been introduced) have moved back to Ag Depts.

- WI + IL have continually over last 10 yrs either maintained or increased int. exports b/c kept in Ag
- IL, Ohio, Iowa would be the most happy to see the move - they'd get our business

Gairo Blanco Int Dairy Development Services

- moved to WI after assessing marketing here 4 yrs. ago

- has worked w/ DDP locally + overseas (before DAITP) didn't have very fruitful or positive experiences
- if transfer - sending message to the world that we don't care about ag - lose credit. in IF DAITP not listed.

Randy Hughes - Gainesville (moving IABC to Commerce)

- 5th generation farmer from Gainesville
- blue chip tortillas (DATCP helped him market)
- people expect to go to Ag Dept.

Gane Grabarski - w/ Assn. of Fairs

- proposed cut in funding - fairs in jeopardy

\$9,834 exhibitors received on av. \$12.88 (app)

- 43% cut to each fair w/ \$3~~60~~,500

- premium books already printed

- contracts w/ carnival, entertainers already signed

went (full funding of \$650,000)

- keep marketing in DATCP

- some reimbursement of funds to fairs could come from Dairy 2020

- as dairy farmer, doesn't think

\$368,500 in statute

\$650,000 when pari-mutuel went into effect in 1990

- increased premiums @ this time (w/ additional \$, now that extra \$ isn't there)

- premiums are written in statutes and rule

John Manske - WI Federation of Cooperatives

- don't support changing DATCP to cabinet form
or DNR

Jim Mansdorf - DATCP

Herb Behrle - DNR

> both said to JFC on 3/22/95
that current situation is
the best

Brad Legreid - WI Dairy Products Assn.

- oppose cabinet

- oppose moving IABC

Paul Zimmerman - Farm Bureau

- supports budget b/c it meets FB #1 priority -
property tax reduction for farmers

- support getting use-value in budget

both together provide 35% net reduction
for farmers statewide

- oppose cabinet form

- support Dairy 2020 - step in direction to form
private - public venture in econ. dev. for ag
- happening all over

- oppose moving IABC

- believe the Dept. can adjust under cuts to Animal Health and still protect disease programs

- bottom line is property tax reduction

? \$910 million from next biennium
