necessary for the purposes for which the same were taken, the said company is hereby authorized and empowered to lease or sell the same, or any part thereof.

SECTION 11. Whenever the line of said railroad shall be located and its route determined, the said company may apply, by attorney, to the circuit court for the county of Green or La Fayette, or to the judge thereof in vacation, for the appointment of three commissioners to make an appraisal and award of the value of any and all lands which are the private property of any person on the line of said railroad, and which the said company shall have entered upon, taken, possessed, occupied or used, or which it may thereafter enter upon, take, possess, occupy or use for any of the purposes for which by this act the said company is authorized to enter upon, take, possess, occupy or use lands. The said company shall give notice of its intention to apply for the appointment of such commissioners, by publishing the same at least ten days before the time for hearing such application, in at least one newspaper published in the county in which such land shall be; and upon an affidavit of the publication of the same, the court or judge to whom the application shall be made, shall appoint three commissioners, who shall have cognizance of all cases arising on the line or route of said railroad; and they shall proceed to examine the premises in each case separately, having first given such notice as they may deem reasonable to the owner, and at least five days' personal notice to such owner, if resident in the county; and whenever it shall appear to said company or its officers that the title to such land is in dispute, or that several parties claim interest therein by tax sales, tax titles, incumbrances, liens or equitable claims, the said commissioners shall, upon request of said company or its officers, give notice to all persons claiming any interest in such land, whether as owners, incumbrancers, or otherwise; (and when the person to be notified has no known residence in this state, within the knowledge of such commissioners, the notice may be by publication in a newspaper, for such length of time as the commissioners shall deem reasonable;) and after making such examination, the said commissioners, or a majority of them, shall, in each case, separately, make an appraisal

and award of the value of the land so entered upon, taken, possessed, occupied or used by said company for any of the purposes aforesaid, at the time when the same was so entered upon and taken, and shall deliver one copy of their award, in each case, to the said company, and shall file another in the office of the clerk of the circuit court of the county in which said land shall lie, with the costs of the award taxed upon each of said copies; and if neither party shall appeal from said award in the manner hereinafter provided, the said circuit court, on motion of the party in whose favor any award shall be made for such value as aforesaid, unless such award shall have previously been paid, shall enter up judgment in conformity with such award. And in case either of said commissioners shall die, resign, or decline to act, the said circuit court or judge shall appoint another commissioner in his stead. The said company, or any party receiving notice from the said commissioners as aforesaid, may, within thirty days after such award shall have been filed with the clerk as aforesaid, appeal from the same to the circuit court of the county in which such award shall be filed, by filing with the clerk of said court a written notice of such appeal. Upon receiving such notice, the said clerk shall enter the appeal as a case upon the docket of the court, setting down the owner or owners and person or persons claiming any interest in said land, embracing all persons so having received such notice from said commissioners as plaintiffs, and the said company as defendant; and the said court shall proceed to hear and determine such case in the same manner that other cases are heard and determined in such court; and all issues of fact arising therein shall be tried by a jury, unless a jury be expressly waived by both parties. The appellant shall not be entitled to have the case tried at any term of said court, unless he shall have given notice to the appellee or his attorney at least ten days before the first day of the term, that he will demand a trial at such term; but in case the appellee has no known residence in this state, or attorney of record residing therein, no such notice need be given. In all cases the appellee may waive such notice, in which case the same rule for trial shall be applicable to it as to other cases in said court.

Appeal, and trial of case.

After the hearing of such case, the jury, or if a jury be waived, the court shall assess the value of the lands so entered upon, taken, possessed, occupied and used by said company at the time when the same was entered upon and taken; and after such assessment the court shall proceed to enter judgment against said company for the amount of said assessment, in favor of the plaintiff or plaintiffs in such case. If the amount so assessed in favor of the said plaintiff or plaintiffs shall exceed the amount awarded by said commissioners, then judgment shall be rendered against said company for costs; and if it shall not exceed such amount, (*and interest as aforesaid*.) then judgment shall be rendered in favor of said company for costs, and against the said plaintiff or plaintiffs, and execution may issue accordingly. Either party shall be entitled to a change of venue for the trial of such cause, on affidavit filed, stating the belief of the person making the affidavit that a fair trial cannot otherwise be had. The change of venue shall be to the nearest county where a fair trial can be had. The judgment of the circuit court may be reviewed on appeal or writ of error, as other cases at law. Whenever the commissioners shall make an award as aforesaid, and no appeal shall be taken from the same, or whenever, in case of appeal, a final judgment shall be rendered, it shall be the duty of the company, and not before, to pay to the party entitled to the same, the amount of said award or judgment; and in any case where there shall be any lien, incumbrance, tax sale, tax title, or equitable claim to or upon the land, or any part thereof, which is the subject matter of such award or judgment, or when more than one person shall be entitled to or shall set up any claim to the amount of such award or judgment, or any part of it, or when the person entitled to receive the same shall not have any known residence within the state, the said company may deposit the amount of such award, when there is no appeal, with the clerk of the court with whom the award in the case shall have been filed; and in case of an appeal and judgment thereon, the company may deposit the amount of such judgment with the clerk of the circuit court in which such judgment shall have been rendered; and the money so deposited, in either case, shall be paid over by order of the circuit

court to the person or persons who shall be adjudged to be entitled to receive the same. Whenever the amount of such award or judgment shall have been paid, tendered or deposited as aforesaid, an absolute estate in fee simple in such lands shall be and become vested in said company, and all persons so receiving notice from the said commissioners, and all persons claiming under them, shall be forever concluded from questioning such title so acquired by the said company. Said company shall have full power and authority, after entering upon and taking away [any] such lands, to have, hold, possess, occupy, use and enjoy the same for any of the lawful purposes of the said company, from the time of such entry and taking until the proceedings provided for by this act shall have been finally determined, and until said company shall have refused after demand made, to pay the value of the land so ascertained as aforesaid; and the said company shall not, during such time nor until such refusal, be disturbed in such possession or occupancy, use or enjoyment, by any proceedings either in law or equity.

SECTION 12. The said company shall have the right, authority and power, and it is hereby authorized and empowered, to construct its said railroad along and upon, across, under or over any public or private highway, road, street, plankroad or railroad if the same shall be necessary; but the said company shall put said highway, road, street, plankroad or railroad in such condition and state of repair as not to impair or interfere with its free and proper use; and also to erect and maintain all necessary bridges for the use of their railroad over any stream of water or water-course, at such points of crossing the same as said road may be located, with all necessary abutments, piers, arches and foundations.

damages caused by such offense, which may be recovered in the name of said company in any court having competent jurisdiction. Such person or persons shall also be subject to indictment, and on conviction of any such offense, shall be punished by fine and imprisonment in the state prison, or either, at the discretion of the court; and in case any accident shall occur in consequence of any such obstruction or damages to said road or machinery, whereby the death of any person shall be caused, the person so offending shall, on conviction, be adjudged guilty of murder in the first degree and punished accordingly, in such manner as shall be prescribed by law for the punishment of murder in the first degree.
