

may, in the judgment of said common council, require.

Council authorized to acquire title from owners.

SECTION 2. The common council of said city are hereby authorized to acquire from the owners thereof, by purchase, such lands as may be required for the site of such dam and its appurtenances, and such title, easements and rights of flowage in, over and upon lands bordering upon said river which may be flowed by the waters thereof in consequence of the maintenance of such dam. And in case the said council cannot agree with the owners thereof, in respect to the purchase of such lands, easements and rights of flowage, or in respect to the compensation to be paid therefor, they shall have power to take the same for the public use, in the same manner and by the same proceedings prescribed in and by chapter 6, of the charter of said city, for the taking of property for public squares, grounds, streets and alleys; and all damages and compensation awarded for property and rights so taken, shall be paid out of the general funds of said city.

SECTION 3. The legislature hereby reserves the right in its discretion to alter, amend or repeal any and all of the provisions of this act.

Approved April 11, 1885.

CHAPTER 435.

AN ACT to amend chapter 320, of the general laws of 1883, entitled, "An act to provide for the printing and distribution of the reports of the state officers, departments and institutions."

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows :

Law amended.

SECTION 1. Sections 7, 8 and 9, of chapter 320, of the session laws of 1883, are hereby severally amended so as to read as follows: Section 7. There shall be printed annually by the state printer, and on the order of the commissioner of public printing, the following documents:

Agricultural society 13,000 copies.

1. Thirteen thousand copies of the transactions of the Wisconsin State Agricultural Society, to-

gether with abstracts of the reports of the county and other agricultural societies, and such other matters pertaining to the industry of the state as shall be deemed important; provided, the number of pages shall not exceed five hundred.

2. Sixteen thousand five hundred copies of the transactions of the Wisconsin State Horticultural Society, together with such abstracts of reports of county and other horticultural societies, and such other matters pertaining to fruit-growing and other horticultural interests of the state as shall be deemed important; provided, the number of pages shall not exceed three hundred.

Horticultural
Society 16,000
copies.

3. Eighteen thousand copies of the transactions of the State Dairymen's Association, and such other matters pertaining to the dairy interests of the state as shall be deemed most important; provided, the number of pages shall not exceed two hundred and fifty.

Dairymen's
Association
18,000 copies.

4. Eighteen thousand copies of the report of the Agricultural Experiment Station of the State University; provided, the number of pages shall not exceed two hundred. Section 8. Thirteen thousand volumes of said report shall be bound in cloth, uniform in style with volumes previously published, each volume to contain such part of one copy of each of the reports designated in the preceding section as the compiler shall select, the size of said joint report not to exceed one thousand pages; and shall be distributed as follows: Thirty copies to each member of the legislature; one hundred copies to the State Historical Society; twenty-five copies to each county agricultural society and district industrial association which embraces two or more counties, and furnishes the State Agricultural Society a report of its proceedings; one hundred copies to the State Horticultural Society; thirty copies to each county horticultural society; two hundred copies to the State Dairymen's Association; one hundred copies to the experiment station of the State University, twenty-five copies to the library of the State University; five copies to the Wisconsin Humane Society. To the governor, lieutenant governor, secretary of state, state treasurer, attorney general, state superintendent of public instruction, railroad and insurance commissioner, twenty-five copies each; to each public library in the state two copies; and

Agricultural
Experiment
Station 18,000.

the remaining copies to the State Agricultural Society for distribution by its secretary. Section 9. Twenty-five hundred copies of the transactions of the State Horticultural Society shall be bound singly in cloth and one thousand in paper. Twenty-five hundred copies of the State Dairymen's Association shall be bound in cloth, and twenty-five hundred in paper. Twenty-five hundred copies of the report of the Agricultural Experiment Station of the State University shall be bound in cloth and twenty-five hundred in paper for the use of these several societies and departments for distribution or exchange.

Repealing section.

SECTION 2. All acts or parts of acts interfering with the provisions of this act are hereby repealed.

SECTION 3. This act shall take effect and be in force from and after its passage and publication.

Approved April 11, 1885.

CHAPTER 436.

AN ACT to change the boundaries of Lincoln, Langlade and Oconto counties and to create the county of Forest.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows :

Boundaries of the county of Forest prescribed.

SECTION 1. Township thirty-one, thirty-two, thirty-three and thirty-four north, of range nine and ten east, are hereby detached from Lincoln county and attached to Langlade county.

SECTION 2. All that portion of the county of Langlade included within the following boundaries shall constitute and be known as the county of Forest, to wit: Commencing at the southwest corner of township thirty-one north, of range thirteen east of the fourth principal meridian, running thence north on the range line between ranges twelve and thirteen, to the township line between townships thirty-four and thirty-five north, thence west on said township line to the range line between ranges ten and eleven, east, thence north on said range line to the fourth cor-
