## CHAPTER 262.

AN ACT to authorize the building of sewers and drains in villages in this state.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

Sewers may be built in villages.

SECTION 1. It shall be lawful for the president and trustees of any village incorporated under general or special law, whenever they shall deem it necessary for the public health, to cause sewers and drains to be made in any part of such village and to order and direct the construction of either of the same, and to alter, repair or mend any sewer or drain heretofore or hereafter constructed within said village, and to cause a main sewer for the purpose of an outlet for the branch sewers and drains to be constructed without the limits of said village when necessary; and in the manner hereinafter provided to cause to be made plans thereof, and estimates of the cost and expense thereof, and a just and equitable assessment of such costs and expenses among the owners of all the lots, pieces and parcels of land intended to be benefited thereby in proportion to the street frontage of such lots, pieces and parcels of land.

President and trustees to lay out system, survey and plan to be made and filed.

SECTION 2. The president and trustees, prior to ordering by resolution, ordinance or otherwise, any sewers or drains to be constructed, shall lay out and determine upon a general sewerage system for such village, and shall cause a careful survey, profile of grades, and plan, with all necessary data to be made in duplicate and signed by them, and certified to as the plan of sewerage de-
