CHAPTER 450.

AN ACT to amend section 558 of the statutes of 1898, relating to the apportionment of the school fund income.

The people of the state of Wisconsin represented in senate and assembly do enact as follows:

Duty of town clerk in apportioning school moneys. SECTION 1. Section 558 of the statutes of 1898 is hereby amended to read as follows: Section 558. The town clerk shall apportion all school money received from the state and also all raised by the town, among the several districts and parts of districts within the town, in proportion to the number of persons between the ages of four and twenty years residing in each, taking such number from the last annual report of their respective district clerks. No money shall be apportioned to any district or part of a district, except as herein provided, and as provided in section 554 of this chapter, by the discretion of the state superintendent, unless the last annual report of such district, verified by the affidavit of the district clerk, shall show that all school money received from the state by such district has been used in paying a legally qualified teacher, and that a common school has been taught in such district by such teacher for at least seven

months during the year ending with the date of such report. Provided that any time which such report shall show was spent by the teacher or teachers of said district in attendance upon an institute in the county, and was allowed by the district board without deduction from such teacher's wages therefor, shall be included as a part of such seven months.

SECTION 2. This act shall take effect and be in force, from and after its passage and publication.

Approved May 14, 1901.

CHAPTER 451.

AN ACT to amend section 1737 of the statutes of 1898, relating to the standard rule for measuring logs.

The people of the state of Wisconsin represented in senate and assembly do enact as follows:

Table showing standard scale; use of other. SECTION 1. Section 1737 of the statutes of 1898 is hereby amended, so as to read as follows: Section 1737. The standard rule for scaling or measuring logs in the said districts shall be in accordance with the following table, showing the length of the log in feet, the diameter in inches and the number of feet of lumber, board measure, contained in each log, to-wit:
