AN ACT relating to cities and providing for notice to claimants.

The people of the state of Wisconsin represented in senate and assembly do enact as follows:

Clerk to serve notice of action or non-action, on claimant; to non-resident. SECTION 1. Whenever any city council shall have disallowed any claim or permitted the same to be disallowed, wholly or partly, by its failure to act thereon within the time limited by law, the clerk shall prepare a notice of the action or non-action of the council upon such claim, and deliver the same, with the necessary copy thereof, to a police officer, for service on the claimant, if he reside within such city. Any police officer to whom such notice and copy shall be delivered, shall serve the same without fees on the claimant named in the notice in the manner provided for service of summons issued by a justice of the peace, and make his return thereof to the clerk. If the claimant be a non-resident the clerk shall transmit such notice by registered letter through the mail. Any time limited for appeal by the claimant from the determination of his claim by the council, shall begin to run when such notice is served, or when such registered letter is received. A bond or undertaking shall not be required in the case of an appeal by municipal corporation.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.
