CHAPTER 11.

AN ACT to authorize the village of Spooner, in Washburn county, to construct and maintain a dam across the Yellow river.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Construction of dam authorized; location. SECTION 1. For the purpose of supplying power with which to operate a system of water works and electric lights, in the village of Spooner, in Washburn county, the said village of Spooner is hereby authorized and empowered to construct, build and maintain a dam across the Yellow river on the northwest quarter of the southeast quarter of section thirty-one in township thirty-nine north, of range twelve west, in said village of Spooner, in Washburn county, said dam not to exceed fifteen feet in height from the bottom of the stream.

Fishway. SECTION 2. The dam so erected shall be provided with a good and sufficient fishway to be approved by the state board of commissioners of fisheries, and said fishways shall at all times be kept in good repair and open for the free and easy passage of fish up and down said dam.

Powers conferred. SECTION 3. The village of Spooner, for such purpose, by its proper officers, shall have full power and authority to enter upon and take any lands necessary for such purposes; provided that the damages which the owner or owners of the lands adjacent thereto may sustain by reason thereof, shall be assessed, settled and ascertained in the manner provided in chapter 146 of the statutes of 1898, entitled "Of mills and mill dams."

Powers reserved. SECTION 4. The power to alter, amend or repeal this act is hereby reserved.

SECTION 5. This act shall take effect and be in force from and after its passage and publication.

Approved March 13, 1905.
