CHAPTER 87.

AN ACT to create section 1919m of the statutes, providing for licenses to agents to procure fire policies in corporations not authorized to do business in this state, providing for a bond to be given by such agents, and for a tax upon the receipts of premiums received for policies so issued within the state.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There is added to the statutes a new section to read: Section 1919m. 1. The commissioner of insurance, in consideration of the yearly payment of fifteen dollars, and in cities having more than one hundred thousand inhabitants, of fifty dollars, may issue to any agent holding a certificate of authority under section 1976 a license terminating on the 31st day of January next succeeding, revokable at any time, permitting such agent to act as agent in procuring policies of fire insurance from any corporations, associations, partnerships, or persons, herein called companies, which are not authorized to do business in this state.

2. Before any insurance shall be procured under said license, there shall be executed by the agent an affidavit which shall be filed with the commissioner within thirty days after the date of the policy. Such affidavit shall entitle the agent making it to effect unauthorized insurance for one year succeeding the date thereof. Such affidavit shall set forth that the agent is, after diligent effort, unable to procure the amount of insurance required to protect the property described in said affidavit, from

the companies authorized and licensed to transact business in this state.

3. The insured may in writing relieve the agent from the personal liability imposed by section 1919a, which release shall affect all insurance written within one year after the date thereof.

4. The agent procuring policies in any unauthorized company shall keep a separate account thereof, open at all times to the inspection of the commissioner, showing:

- a. The amount of such insurance;
- b. The gross premiums charged thereon;
- c. The return premiums on cancellations;
- d. In what company the insurance is placed;
- e. Date of the policy;
- f. The term thereof;
- g. A copy of the form of policy; and
- h. Separately, the cities, towns, and villages in which the insured property is located.

5. Such agent shall annually, before the first day of February in each year, make a report to the commissioner for the preceding calendar year on such form as prescribed by him, of the facts required by subsection 4, and pay to the state through the commissioner the tax in the manner and at the time provided by section 1219.

6. Each agent receiving such license shall, before transacting business thereunder, execute and deliver to the commissioner a bond to the people of the state in the penal sum of one thousand dollars, with such sureties as the commissioner shall approve, conditioned that the said agent will faithfully comply with all the requirements of this section.

7. In default of the payment to said commissioner of the tax herein provided for, he may sue for the same in any court of record of this state.

8. Any violation of this act shall subject the agent to a revocation of his license.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.
