**CHAPTER 274.**

AN ACT to create section 1418w of the statutes, relating to sweeping in public places, and providing a penalty.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. There is added to the statutes a new section to read: Section 1418w. 1. It shall be unlawful for any person, firm or corporation to sweep, or permit the sweeping, except when vacuum cleaners or properly filled reservoir dustless brushes are used, of floors in railroad stations, in passenger cars, in any state or public building, in the public, parochial or private schools, or in other educational institutions, in hotels, department stores, where the public are invited, unless the floor is first sprinkled with water, moist sawdust, or other substance so as to prevent the raising of dust.

2. Any person, firm or corporation owning, or having the management or control of such railroad stations, state or public buildings, public, parochial or private schools, hotels, department stores, where the public are invited, who violates any of the provisions of this section, shall be deemed guilty of a misdemeanor and shall be punished by a fine of not less than ten dollars nor more than fifty dollars.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.

Approved May 17, 1913.

**CHAPTER 275.**

AN ACT to repeal section 1737 of the statutes, and to create a new section to be numbered 1737, relating to the standard scale of log measurement.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. Section 1737 of the statutes is repealed.

SECTION 2. There is added to the statutes a new section to read: Section 1737. The standard rule for scaling or measuring logs in the said districts shall be in accordance with the following table, showing in the first column the diameter of log at the small end in inches, at the head of each other column the length of log in feet, and in the body of such other columns the resultant contents of each log in board measure feet of lumber, to wit:
