## CHAPTER 434.

AN ACT to amend section 558 of the statutes, relating to the apportionment of the school fund.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. Section 558 of the statutes is amended to read: Section 558. The town clerk shall apportion all school money received from the state and also all raised by the town, among the several districts and parts of districts within the town, in proportion to the number of persons between the ages of four and twenty years residing in each, taking such number from the last annual report of their respective district clerks. No money shall be apportioned to any district or part of a district, except as herein provided, and as provided in section 554 of this chapter, by the discretion of the state superintendent, unless the last annual report of such district, verified by the affidavit of the district clerk, shall show that all school money received from the state by such district has been used in paying a legally qualified teacher, *at a salary of not less than forty dollars per month*, and that a common school has been taught in such district by such teacher for at least eight months during the year ending with the date of such report. Provided that any time which such report shall show was spent by the teacher or teachers of said district in attendance upon an institute in the county, and was allowed by the district

board without deduction from such teacher's wages therefor, shall be included as a part of such eight months.
