## CHAPTER 391.

AN ACT to create section 1410aa of the statutes, relating to collecting of dairy statistics.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. There is added to the statutes a new section to read: Section 1410aa. The dairy and food commissioner shall compile at least once in two years statistics relating to the dairy industry in this state, and for such purpose may forward to the owner or manager of any creamery, cheese factory, condensery, or to any other person, firm, or corporation dealing in or manufacturing dairy products, blanks calling for specific information relating to such industry, and in case of cheese factories, the information shall be detailed so as to show the number of pounds each of American, Swiss, limburger and brick cheese made in each factory. These blanks shall, within sixty days from receipt thereof, be filled out and returned to the dairy and food commissioner and all questions thereon propounded and all information required by such blanks, so far as it is within the power of such person, firm, or corporation to answer or furnish the same, shall be answered and furnished. All local assessors, upon request of the dairy and food commissioner, shall collect and furnish information relating to dairy statistics as said commissioner may require. The dairy and food commissioner may take other necessary steps to secure full and complete information and statistics relating to the dairy industry, and to promote the welfare of that industry.

SECTION 2. This act shall take effect upon passage and publication.

Approved July 8, 1915.
