CHAPTER 315

AN ACT to repeal section 169s of the statutes, and to create a new section of the statutes to be numbered 169s, relating to the coordination of state work and to departmental cooperation.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section 169s of the statutes is repealed.

SECTION 2. A new section is added to the statutes to be numbered and to read: Section 169s. 1. The several state officers, commissions and boards shall cooperate in the performance and execution of state work and shall interchange such data, reports and other information, and, by proper arrangements between the officers, commissions and boards directly interested, shall interchange such services of employes, or shall so jointly employ or make such assignments of employes as the best interests of the public service require. All interchanges of services and joint employments and assignments of employes for particular work shall be consistent with the qualifications and principal duties of such employes.

2. Whenever the employe of any state officer, commission or board is assigned or required hereunder to perform services for any other such officer, commission or board, such employe is vested with all powers and may enjoy all privileges necessary to perform the duties and execute the functions imposed upon and delegated to him and may perform such services and exercise such powers in the same manner, to the same extent and with like effect as though regularly appointed therefor.

3. The state chief engineer shall aid and advise in the correlation and coordination of state work as provided in this section, and he and the state civil service commission, after consultation with the state officers, commissions and boards, shall formulate and may from time to time alter rules and regulations govern-

ing such interchange and joint employments and assignments of employes as provided in this section. All such rules and regulations and alterations shall be subject to the approval of the governor, and when so approved shall be published.

4. Each officer, commission and board shall keep a record of all work done for or in cooperation with other officers, commissions and boards under this section, and shall make a report thereof to the state chief engineer in such form and at such times as is prescribed in the rules and regulations formulated under subsection 3. The state chief engineer shall transmit such reports, or a summary thereof, together with such recommendations as he deems appropriate to the governor on or before the first day of December in each year, and shall make such other reports hereunder as the governor may direct.

SECTION 3. This act shall take effect upon passage and publication.

Approved May 29, 1917.
