CHAPTER 361

AN ACT to amend section 572a of the statutes, relating to the institution for blind artisans.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section 572a of the statutes is amended to read: Section 572a. The state board of control is hereby authorized and directed to continue the institution established in the city of Milwaukee pursuant to 1903 c. 432 to assist blind artisans to become self-supporting citizens, and to make provisions for the leasing of such suitable buildings or apartments as may be necessary, to provide for the heating and lighting of such buildings or apartments and for such water as may be necessary to be used in such buildings or apartments; the rent of such buildings or apartments and the cost of furnishing the heating, lighting and water, to be paid by the state under the direction of the board of control. The board is also authorized to furnish to such artisans as avail themselves of the privileges of this act, a limited amount of materials and tools required in their employment. *All bills incurred by said board in the management of this institution shall be paid in accordance with the provisions of section 5610 of the statutes.*

SECTION 2. This act shall take effect upon passage and publication.

Approved June 8, 1917.

No. 325, A.]

CHAPTER 362

AN ACT to create section 1410b—10 of the statutes, relating to the appointment of special dairy and food inspectors.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There is added to the statutes a new section to

read: Section 1410b—10. 1. Special dairy and food inspectors may be appointed by the dairy and food commissioner for any factory or plant which buys or receives milk or cream to be manufactured into butter or cheese, or to be condensed, or to be sold as market milk or cream, or for a group of such factories or plants or for any organization organized for the purpose of selling butter or cheese upon petition therefor signed by more than two-thirds of the regular patrons of such factory or plant, or by the officers of the organization representing such group of factories or plants, and upon receiving satisfactory proof that such special dairy and food inspectors will be compensated in full for all services rendered and traveling expenses incurred upon and pursuant to such appointment by such patrons making such petition. The state shall not be liable for any such compensation.

2. Each such special dairy and food inspector shall have all powers conferred by law upon dairy and food inspectors and shall at all times be under the supervision of the dairy and food commissioner and he shall make such reports to the dairy and food commissioner as the said commissioner may require. He shall supervise and inspect the weighing and testing of and shall inspect all milk or cream or butter or cheese delivered to such factory or plant, or group of factories or plants, and for such purpose may use any or all weighing or testing apparatus in such factory or plant. In addition to the duties herein specifically prescribed he shall perform such duties as the patrons or organizations compensating him or the dairy and food commissioner may direct.

SECTION 2. This act shall take effect upon passage and publication.

Approved June 8, 1917.

No. 368, A.]

[Published June 12, 1917.

CHAPTER 363

AN ACT to create subsection 8 of section 1492em of the statutes, relating to tagging of cattle tested for tuberculosis.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There is added to the statutes a new subsection to be numbered and to read: (1492em) 8. The department of agriculture shall provide ear tags to be used for tagging cattle tested for tuberculosis and shall distribute the same to persons authorized by the department to test cattle. Such distribution
