3. It shall be the duty of the board of \* \* \* *managers* of said home to cause to be kept a true and accurate account of the disbursements of all moneys derived from the state at any time, and annually to make report in writing to the governor, giving a true and itemized account in such form as he may require or prescribe, of all expenditures made of moneys appropriated or in any manner derived from the state, and also of the names and number of inmates, the date of admission, time of occupancy, age, and residence of each, the regiment, company, battery, or other similar organization in which such inmate served during the civil war, or of the person on account of which such inmate was admitted to the home, and also the names, number and salaries of the officers, employes, and laborers employed in said home, and the fund from which they are paid, and also the total amount of the receipts and expenditures of the said Wisconsin Veterans' Home, and such other detail pertaining to or affecting expenditures for its maintenance or benefit, as may be required by the governor. But this section shall not give to the said state board of control any power of direction or any authority to interfere with the management of the said home by the said board of \* \* \* *managers* thereof, established and provided in accordance with the articles of organization and by-laws thereof; it being designed hereby only to enable full and correct information in respect to such circumstances to be presented to the governor and laid before the legislature.
