

which shall be assumed by each such town, city or village. In such apportionment there shall be assigned to each such town, city or village such proportion of the total bonded indebtedness of the district as the value of the taxable property in the part of the district located therein bears to the value of the taxable property in the entire district, as determined by the last certified assessment.

(3) After such apportionment and after the dissolution of the union free high school district, each such town, city or village shall be liable for the payment of the principal and interest of the portion of the bonded indebtedness of the dissolved district assumed by it, and the town, city or village board shall levy a tax sufficient to meet such principal and interest, upon all property located within the part of such town, city or village which was included in such dissolved district. Such tax shall be collected as are other town, city or village taxes and shall be used exclusively for the payment of the portion of bonded indebtedness of the dissolved union free high school district assumed by such municipality and of interest and sinking fund charges thereon.

(4) There shall be no division of the assets upon the dissolution of any union free high school district to which this section applies but all property of such district shall become the property of the town, city or village in which the same is located.

SECTION 2. This act shall take effect upon passage and publication.
