CHAPTER 425.

AN ACT to amend sections 35.33, 35.46, 35.49 and 35.52, and to create subsection (20) of section 35.84 of the statutes, relating to state printing.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Sections 35.33, 35.46, 35.49 and 35.52 of the statutes are amended to read: 35.33 (1) Upon receiving printer's copy, and the necessary requisitions from the respective boards of regents of the University of Wisconsin or of the state normal schools, and of the requisitioning officer of the state historical society, the printing board shall order the state printer to do all book, catalogue, bulletin and other printing, exclusive of job work, which is required for the use of said university, including all of its departments and officers, and for the use of said normal schools and for the use of the state historical society; provided, however, that the governor may cause the withdrawal of any printing requisition if in his opinion public policy demands it or if the edition of the item requisitioned seems excessive. In such cases he shall hear the statement of the requisitioning officer of the institution concerned and shall communicate to such officer the reasons for his action.

(2) *As a basis for printing by the state printers maximum prices for work and materials, exclusive of paper, are fixed for third class printing for the state historical society as follows:*

(a) *Composition. Plain matter, one dollar per thousand ems. Figure work, one dollar and fifty cents per thousand ems. Rule and figure work, two dollars per thousand ems. All type matter shall be measured as if it had been set solid. Necessary fractions of pages may be counted as full pages, but no charge shall be made for blank pages.*

(b) *Prices for all other work in this class shall be the same as for second, third and fourth class printing as set out in schedule in section 35.43, except machine sewed cloth, buckram or other hard binding, when the maximum price shall be double maximum price when the book page measures more than eighty square inches, and three times maximum when the book page measures more than one hundred and sixty square inches.*

35.46 Every such bid shall be in writing inclosed in a sealed envelope, having indorsed thereon "Proposals for State Printing;" shall be filed in the office of the printing board on or before the time specified in the advertisement therefor as the day when the bids will be opened; shall specify the class or classes of printing for which it is made and the per centum of discount off from maximum prices (which shall be uniform, the same discount for every item), at which the bidder proposes to do the work; shall be accompanied by a certificate of the state treasurer showing that the bidder has deposited with such treasurer one thousand dollars in money or United States bonds, subject to the provisions of this chapter; shall be accompanied by a provisional agreement under seal, executed by the bidder to the effect that if such bid be accepted, and if he shall fail to enter into a printing contract and execute a bond within the time and conditioned as required by law, and to the effect that if, after executing such printing contract and bond, he shall fail to comply therewith, then and in either such case, the said one thousand dollars shall become absolutely the property of the state, and shall not constitute an offset or counterclaim against the penalty or damages which may be recovered by the state upon said contract and bond; and shall be further accompanied by a * * * bond, executed by a surety company duly authorized to do business in this state, in the sum of five thousand dollars, * * * to the effect that * * * it guarantees the bidder will, if his bid be accepted, execute the

contract and bond required by law within such time as may be prescribed by said board. * * *

35.49 Within ten days after the acceptance of any bid, or such further time as the printing board may allow therefor, said board shall cause a contract to be prepared and entered into by said board on the part of the state and said bidder, setting forth fully the terms and conditions under which the work specified is to be performed. Such bidder shall at the same time * * * *furnish* a bond to the state * * * , *such bond to be executed by a surety company duly authorized to do business in this state and to be conditioned for the faithful performance of all duties required of him by law and by the terms and conditions of his contract.* The amount or penalty of such bond shall be twenty thousand dollars if the obligor's contract be for the furnishing of two or more of the first four classes of public printing; and ten thousand dollars if his contract be for the furnishing of one of said classes of printing. Said bond shall be approved by said board and, together with the contract and all other papers relating thereto, be deposited in the office of the secretary of state.

35.52 The printing specified in each separate order for printing shall be separately performed and, when completed, shall be delivered by the state printer as follows: Printing for the University of Wisconsin and for the normal schools, to the secretaries of their boards of regents, respectively; printing for state historical society, for Wisconsin academy of sciences, arts and letters, for Wisconsin archaeological society, board of commissioners of the geological and natural history survey, and for the Wisconsin branch of the American institute of criminal law and criminology, to their respective secretaries; printing of the first class, to the chief clerks, respectively, who order it, *all other printing* * * * , to the superintendent of public property, *who shall distribute it to the department which ordered said printing.* Every person to whom any public printing shall be delivered as aforesaid, shall receipt for the same upon the back of the duplicate orders, if the quantity thereof is found upon actual count to correspond with the requirements of the order, and one of said receipted duplicates shall be filed with the printing board.

SECTION 2. A new subsection is added to section 35.84 of the statutes to read: (35.84) (20) The superintendent of public property shall deliver to the state historical society three copies

of each message, report, journal, legislative bill, bulletin, circular or set of bound public documents of whatever character printed at the expense of the state.
