The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section 80.02 of the statutes is amended to read: 80.02 When six or more resident freeholders or homesteaders under the laws of the United States wish to have a highway laid out, widened, altered or discontinued in their town, they may make application in writing to the supervisors of said town for that purpose. The application may be delivered to any supervisor or to the town clerk. When the laying out of a highway would require the construction of a bridge costing more than * * * *one thousand* dollars, the order of the supervisors laying out such highway shall not be effective unless approved by the electors of the town, and an estimate by the state highway commission shall be conclusive of the cost of such bridge for the purposes of this section. No town board shall discontinue any part of a state road, nor alter or discontinue any highway laid out by the county board, or any highway that shall have been improved by the county board with county funds, nor discontinue any highway when such discontinuance would deprive the owner of lands of access therefrom to the public highway.
