### CHAPTER 136.

AN ACT to create section 88.41 of the statutes, relating to farm drainage.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. A new section is added to the statutes to read: 88.41 Whenever any natural watercourse becomes obstructed so that the natural flow of water along the same is retarded by the negligent action of the owner, occupant or person in charge of the land wherever such obstruction is located, the owner or occupant of any lands affected by such obstruction may request the removal thereof by giving notice in writing to such owner, occupant or person in charge of the land wherever such obstruction is located. If such removal is not made within six days after receipt of said notice, the owner or occupant of the lands so affected may make complaint to the supervisors of the town, filing at the same time a copy of said written notice, and such supervisors, upon being satisfied that the complaint is just after viewing the watercourse, shall order the obstruction removed. The cost of view and of removal shall be charged against the lands from which the obstruction was removed.

SECTION 2. This act shall take effect upon passage and publication.

Approved May 28, 1929.
