CHAPTER 309.

AN ACT to amend paragraph (a) of subsection (20) of section 20.17 of the statutes, relating to funds derived from prison industries.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Paragraph (a) of subsection (20) of section 20.17 of the statutes is amended to read: (20.17) (20) (a) On July 1, 1919, fifteen thousand dollars, and from time to time, sums equal in amount to the moneys derived from the sale of products of the industries of the state prison other than the binder twine plant, and the marble industry, and paid into the general fund, to be used as a revolving appropriation to carry on such industries at the state prison *and for the construction and equipment of buildings, for permanent property and improvements. No expenditures shall be made from this appropriation for the construction and equipment of buildings or for permanent property*

and improvements, except upon written application of the state board of control, setting forth the need, and upon the certification of the emergency board that such moneys are needed, and that no other appropriation is available for that purpose.

SECTION 2. This act shall take effect upon passage and publication.

CHAPTER 310.

AN ACT to create section 30.087 of the statutes, relating to the use of the bed of navigable waters by utilities.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. A new section is added to the statutes to read: 30.087 Upon compliance with such applicable regulations as may be imposed by the government of the United States, and subject to the provisions of chapters 196 and 197, any public utility may, pursuant to permit granted by the governing body of any city, village or town situated on any waters of Lake Michigan or Lake Superior, construct, maintain and operate, upon and under the bed thereof adjoining such city, village or town in such manner as to avoid material obstruction to existing navigation or the use of private property not owned by such utility, all cribs, intakes, basins, pipes and tunnels necessary or convenient for securing an adequate supply of water suitable for the purposes of such utility. Any such utility, pursuant to like authority and under like conditions, may improve the navigability of any such waters and construct upon the shore and the adjoining bed of such waters harbor facilities adapted for the reception, docking, unloading and loading of vessels carrying supplies required for the operation of such utility.

SECTION 2. This act shall take effect upon passage and publication.

Approved July 19, 1929.
