CHAPTER 67.

AN ACT to repeal the introductory paragraph of subsection (6) and to amend paragraph (h) of subsection (2) and paragraph (c) of subsection (7) of section 167.21 of the statutes, relating to cleaning and dyeing establishments.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. The introductory paragraph of subsection (6) of section 167.21 of the statutes is repealed.

SECTION 2. Paragraph (h) of subsection (2) and paragraph (c) of subsection (7) of section 167.21 of the statutes are amended to read: (167.21) (2) (h) No gas or gasoline engine, steam generator or heating device and no electric dynamo or motor *or other electrical machine, apparatus or device* shall be located, maintained or operated inside of any room used for the business of cleaning and dyeing, *except electric motors, machines, apparatus or devices, which are free from all explosion, fire and spark hazards, and which are approved for such use by the industrial commission.*

(7) (c) To investigate, ascertain, declare and prescribe what alterations, improvements or other means or methods are reasonably necessary * * * *to prevent fires and explosions* and for protection and safety of employes and the public in cleaning and dyeing establishments, *and such requirements and regulations shall also apply to existing cleaning and dyeing establishments.*

SECTION 3. This act shall take effect upon passage and publication.

Approved May 2, 1929.
