CHAPTER 239.

AN ACT to create section 352.065 of the statutes, relating to cheese food compounds and providing a penalty.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. A new section is added to the statutes to read: 352.065 CHEESE FOOD COMPOUNDS. (1) Cheese food compounds or mixtures are food products produced by mixing one or more lots of cheese with or without the aid of heat into a homogeneous mass and may contain added solids derived from milk, harmless emulsifying agents, harmless coloring matter, seasonings, relishes, condiments, water and other food as defined by section 352.01; except that fats or oils other than milk fat may not be used.

(2) No person, by himself, his servant or agent or as the servant or agent of another person shall offer for sale, exchange, sell, deliver or have in possession with intent to sell any cheese food compound or mixture unless each package, receptacle or container in which the aforesaid compounds or mixtures are sold shall bear an informative label, plainly separated from other reading matter, showing the name and address of either the manufacturer, packer
