38.26 BENEFITS OF \* \* \* 38.24 EXTENDED TO ADDITIONAL MILWAUKEE TEACHERS. (1) (a) Any teacher employed continuously for 3 or more school years in \* \* \* *substitute* teaching service in \* \* \* *the* public schools \* \* \* to which section \* \* \* 38.24 is applicable in any *such* city \* \* \* who, at the time this section takes effect in any such city, shall not have come under the provisions of section \* \* \* 38.24, or any person employed by or under the jurisdiction of the \* \* \* *board* to which section \* \* \* 38.24 is applicable \* \* \* who is defined, designated, or classified by law as a teacher under the jurisdiction of any such \* \* \* *board* and who, at the time of the enactment of any such law so defining, designating, or classifying teacher status, shall not have come under the provisions of section \* \* \* 38.24, may file with the secretary-business manager of the \* \* \* *board* a written application and consent, subscribed by such teacher, to come under the provisions of section \* \* \* 38.24 in the manner and upon the conditions prescribed in this subsection,

and shall be eligible to membership in the teachers' retirement fund.

(b) Each such teacher who files the written application and consent mentioned in paragraph (a) of this subsection at the same time shall file with such secretary-business manager a written statement, subscribed, by such teacher, setting forth the total number of years of teaching service of such teacher in public schools outside a school or school system to which section \* \* \* 38.24 applies and the place where and the years in which such outside teaching service was performed, for which such outside teaching service such teacher claims credit in the computation of any annuity payable under the provisions of section \* \* \* 38.24.

(c) Within 30 days after the filing of any such written application and consent mentioned in said paragraph (a) \* \* \*, such secretary-business manager shall transmit written notice thereof to the board of trustees mentioned in subsection (2) of section \* \* \* 38.24 together with the written statement required to be filed under the provisions of paragraph (b) of this subsection, and also a written statement setting forth the total number of years of teaching service of such teacher in public schools to which section \* \* \* 38.24 applies, as shown by the records of the \* \* \* board of school directors in such city.

(d) The period of continuous teaching service of any teacher mentioned in said paragraph (a) \* \* \* shall not be \* \* \* deemed to be or to have been interrupted \* \* \* by reason of any temporary cessation or suspension of any class or teaching work in any such school or school system, or by regular vacation periods or holidays or by transfer or assignment from one position or school to another within such school system. \* \* \*

(2) (a) Filing of the written application and consent and the statement of outside teaching service mentioned in subsection (1) of this section by any such teacher within the time specified in paragraph (a) \* \* \* thereof, shall extend to such teacher the rights and benefits conferred by section \* \* \* 38.24 and, in the case of any such teacher who heretofore has come under the provisions of section 925-xx of the statutes of 1919, shall operate as a substitution by such teacher of the provisions

of section \* \* \* 38.24 in lieu of the provisions of said section 925-xx.

(b) In the cases of all such teachers who consent to come under the provisions of section \* \* \* 38.24 in the manner prescribed in this section, the \* \* \* board shall make monthly reservations from \* \* \* *the salaries or the per diem substitute compensation* in accordance with the provisions of paragraph (b) of subsection (11) of section \* \* \* 38.24, beginning with the first monthly payment of \* \* \* *such salary or compensation* to any such teacher after such teacher shall have filed the written application and consent mentioned in paragraph (a) of subsection (1) of this section. The amounts of the initial and subsequent reservations so made from the salary or compensation of any such teacher, \* \* \* shall be determined by the number of years of teaching service of such teacher in public schools as shown by the records of the \* \* \* board in such city and the statement required to be filed in accordance with the provisions of paragraph (b) of subsection (1) of this section.

(3) (a) In addition to the initial and subsequent monthly reservations and payments so specified to be made and paid \* \* \*, each \* \* \* teacher who consents to come under the provisions of section \* \* \* 38.24 in the manner prescribed in this section shall, within 5 years from September 1 in the year in which \* \* \* *his* written application and consent \* \* \* are filed, pay into the annuity and retirement fund \* \* \* all arrearages in assessments, \* \* \* and interest on such arrearages \* \* \*. Payment of such arrearages and interest, within the time designated, shall be made by each such teacher in such manner and at such times as may be determined by the board of trustees mentioned in subsection (2) of section \* \* \* 38.24 \* \* \*, *provided, however, that any high school teacher-librarian, any employe in the department of adult education and recreation, and any continuous substitute teacher, eligible to, and who has heretofore been admitted into membership in the teachers' retirement system under the provisions of subsection (1m) of section 43.22 and subsection (7) of section 43.50, of the statutes of 1939, and of chapters 53 and 312 of the laws of 1935, shall not be required to pay interest on the arrearages in assessments, including prior service arrearages, as defined in paragraphs (a), (b), and (c) of this subsection (3) of this*

section. *The board of trustees shall refund to any such persons any amounts of interest heretofore paid into the fund by any of them.*

(b) As used in this section the term "arrearages in assessments" \* \* \* means the total of the various payments required to be made in accordance with the provisions of paragraph (b) of subsection (11) and paragraph (b) of subsection (14) of section \* \* \* 38.24 for each month and year of teaching service in public schools prior to the school month for which the initial monthly reservation from salary or compensation is made after the filing of the written application and consent mentioned in subsection (1) of this section by any such teacher mentioned therein, less the sum total of the principal amounts any such teacher \* \* \* has paid into any annuity and retirement fund under section 925-xx of the statutes of 1919. The periods for which payment of any such arrearages shall be made by each such teacher, and the amounts of such arrearages, shall be determined by the board of trustees mentioned in subsection (2) of section \* \* \* 38.24.

(c) In the case of any such teacher who consents to come under the provisions of section \* \* \* 38.24 in the manner prescribed in this section, all arrearages in assessments, \* \* \* for any period of teaching service in public schools prior to September 1 in the year in which paragraph (b) of subsection (11) of section 42.55 became or becomes effective in any such city, shall be \* \* \* deemed and known as "prior service arrearages", shall be computed without interest to said latter date, *except only in respect to persons who became or who were members under section 925-xx of the statutes of 1919, and with interest for such excepted persons*, and the amount thereof, so computed and determined, shall be deemed to be the principal amount of arrearages accrued and payable as of said latter date by any such teacher as and for "prior service arrearages." Each school year yearly amount of all other arrearages in assessments for any period of teaching service in public schools subsequent to the date hereinbefore mentioned in this paragraph shall be deemed to have accrued and shall become payable by such teacher on September 1 immediately following the school year in which the monthly salary or compensation reservations thereof would have been made, as prescribed in paragraph (b) of sub-

section (11) of section 42.55 of the statutes of 1937, if such teacher had been under the provisions of said section 42.55 during such school year.

(4) (a) Except as otherwise provided in this section, required payments as a condition precedent to the receipt of an annuity and the refund of contributions under section \* \* \* 38.24 shall be governed, respectively, by the provisions of paragraph (b) of subsection (14) and paragraph (b) of subsection (16) of section \* \* \* 38.24 in the cases of all such teachers who consent to come under the provisions of that section \* \* \* in the manner prescribed in this section. In addition to the required payments specified to be made by the provisions of paragraph (b) of subsection (14) of section \* \* \* 38.24, each such teacher who consents to come under the provisions of section \* \* \* 38.24 in the manner prescribed in this section shall pay interest on arrearages, except as provided in paragraph (a) of subsection (3) of this section. \* \* \* Any such interest, so paid by any such teacher, shall not be refunded \* \* \*, nor shall any such interest be \* \* \* a part or portion of any refund under the provisions of paragraph (b) of subsection (16) of section \* \* \* 38.24.

(b) Interest on "prior service arrearages", when payable, shall be computed and be payable from the accrued date of such "prior service arrearages", as determined and fixed in paragraph (c) of subsection (3) of this section, to the date of payment of such "prior service arrearages." Interest on all other arrearages in assessments, when payable, shall be computed and be payable upon each school year yearly amount thereof to the date of payment thereof from the September 1 immediately following the school year in which the monthly salary or compensation reservations thereof would have been made if such teacher had been under the provisions of section 42.55 of the statutes of 1937 during such school year. All arrearages in assessments upon which interest is required to be computed and paid under the provisions of this section, and all such interest, shall be compounded semiannually to the date of payment thereof at the rate of 4 per cent per annum from the respective dates when such arrearages are made payable under the provisions of this section.

(c) March 1 and September 1 in each year shall be the dates

of payment mentioned in paragraph (b) of this subsection for the payment of arrearages and *any* interest payable. Any such arrearages and interest payable and not paid on any such date of payment shall bear interest computed as provided in said paragraph (b), until the next succeeding date of payment.

(5) No annuity shall be paid to any such teacher who consents to come under the provisions of section \* \* \* 38.24 \* \* \* until such teacher \* \* \* has \* \* \* paid into said annuity and retirement fund the amounts, both principal and interest, *if any*, prescribed in this section.
