CHAPTER 95.

AN ACT to amend 51.08 (2) of the statutes, relating to glasses and non-surgical hospital or clinic costs in county asylums.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

51.08 (2) of the statutes is amended to read:

51.08 (2) Whenever any insane person is committed or transferred to any state hospital, or to any hospital or asylum in any county other than the county in which he has a legal settlement, he shall, in addition to the maintenance charge, be furnished with all necessary clothing. On his admission this shall not be less than the following: For a male, 3 new shirts, a new and substantial coat, vest, 2 pairs of pantaloons of woolen cloth, 2 undershirts, 2 pairs of drawers, 3 pairs of socks, a black or dark stock or cravat, 2 pocket handkerchiefs, a good hat or cap, a pair of new boots and shoes and a pair of slippers. For a female, in addition to the same quantity of undergarments, shoes and stockings, there shall be 2 woolen and 2 white petticoats or skirts, 3 good dresses, 2 nightgowns, cloak or shawl and a decent bonnet. Unless such clothing be delivered in good order the superintendent shall not be bound to receive the patient; but he may receive and furnish him with proper clothing; inmates shall also be furnished with necessary dental work, but not to exceed \$35 for each person, *with necessary glasses not to exceed \$15, with necessary non-surgical hospital or clinic services for diagnosis, care, X-ray or treatment, and emergency surgical work may also be provided for inmates, but before any expenditure is made for dental work, for necessary glasses, or for necessary non-surgical hospital or clinic services, or emergency surgical work, an estimate of the cost shall be made by the visiting physician and the superintendent of the asylum and forwarded to the * * * state department of public welfare; if the * * * department shall approve such expenditure then the necessary dental work, necessary glasses or necessary non-surgical hospital or clinic services, or emergency surgical work, shall be done as provided.* The expense of furnishing all clothing and dental, and emergency surgical work, *necessary glasses, or necessary non-surgical hospital or clinic services,* shall be chargeable to the

state, and chargeable over to the county, if any, in which such inmate has a legal settlement, and shall be adjusted as provided in section 46.10, and in addition to the clothing required on admission no county shall be liable for more than \$35 for clothing for any one patient in any one year.

Approved April 30, 1943.

CHAPTER 96.

AN ACT to create 40.19 (1a) of the statutes, relating to contracts of teachers of agricultural and homemaking courses.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

40.19 (1a) of the statutes is created to read:

40.19 (1a) School district boards may provide in the contracts of teachers of agricultural and homemaking courses for payment for services performed outside of the district and connected with the performance of their regular teaching duties, and for the payment of the traveling expenses connected with such services out of school district funds.

Approved April 30, 1943.

CHAPTER 97.

AN ACT to amend 186.19 (1) of the statutes, relating to surety bonds of officers of credit unions.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

186.19 (1) of the statutes is amended to read:

186.19 (1) Every person appointed or elected to any position requiring the receipt, payment or custody of money or other personal property belonging to a credit union, shall, within 30 days after such appointment or election, give a bond in some good and responsible corporate surety company *licensed to do business in the state of Wisconsin*, in such sums as the directors shall require and approve. All such bonds shall be in the form prescribed by the banking commission.

Approved April 30, 1943.
