CHAPTER 485.

AN ACT to revise and consolidate chapters 51 and 52 of the statutes, relating to mentally ill, mentally infirm and mentally deficient persons, epileptics, inebriates and drug addicts.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. The title to chapter 51 of the statutes shall read:

CHAPTER 51**CARE OF MENTALLY ILL, INFIRM AND DEFICIENT PERSONS**

SECTION 2. 51.001 is created to read:

51.001 DEFINITIONS. As used in this chapter:

(1) Mental illness is synonymous with insanity; mental infirmity with senility; and mental deficiency with feeble-mindedness.

(2) County hospital means a hospital for mental disturbances.

SECTION 3. 51.01, except subsection (6), is revised to read:

51.01 PROCEDURE TO DETERMINE MENTAL CONDI-

TION. (1) **APPLICATION TO JUDGE.** (a) Written application for the mental examination of any person (herein called "patient") believed to be mentally ill, mentally infirm or mentally deficient or epileptic, and for his commitment, may be made to the county or district judge of the county in which the patient is found, by at least 3 adult residents of the county, one of whom must be a person with whom the patient resides or at whose home he may be or a parent, child, spouse, brother, sister or friend of the patient, or the sheriff or a police officer or public welfare or health officer. However, if the patient is under 18 years of age, the application shall be made to the judge of the juvenile court of the county in which such minor is found.

(b) If the county judge or the district judge is not available, the judge of any court of record of the county may act on the application. If no such judge is available, any court commissioner of the county may act.

(2) **APPOINTMENT OF EXAMINING PHYSICIANS.** (a) On receipt of the application the judge shall appoint 2 duly licensed reputable physicians to personally examine the patient, one of whom, if available, must have had 2 years' practice of his profession or one year of practice in a hospital for the mentally ill, and who are so registered by the judge on a list kept in his office, and neither of whom is related by blood or marriage to the patient or has any interest in his property.

(b) The examining physicians shall personally observe and examine the patient and satisfy themselves as to his mental condition and report the result to the judge, in writing, at the earliest possible time or the time fixed by the judge.

(3) **FORMS.** The department shall prescribe forms for the orderly administration of chapter 51, and furnish such forms to the county judges and to the several institutions. Until such forms are so furnished, the interrogatories in section 51.01, statutes of 1945, and other forms in common use continue in force. A substantial compliance with prescribed forms is sufficient.

(4) **REPORT OF EXAMINING PHYSICIANS.** The examining physi-

cians, as part of their report, shall make and file substantially the following affidavit.

We,, and, the examining physicians, being severally sworn, do certify that we have with care personally examined [insert name of person examined] now at in said county, and as a result of such examination we hereby certify that he is mentally ill and a proper subject for custody and treatment [or, he is mentally infirm, or mentally deficient, or epileptic, and a proper subject for custody and treatment; or, he is not mentally ill or infirm or deficient or epileptic]; that our opinion is based upon the history of his case and our examination of him; that the facts stated and the information contained in this certificate and our report are true to the best of our knowledge and belief. We informed the patient that he was examined by us as to his mental condition, pursuant to an application made therefor, and of his right to be heard by the judge.

SECTION 4. 51.02 is revised to read:

51.02 PROCEDURE TO DETERMINE MENTAL CONDITION (CONTINUED). (1) NOTICE OF HEARING. (a) On receipt of the application or of the report of the examining physicians, the judge shall appoint a time and place for hearing the application and shall cause notice thereof to be served upon the patient in the manner prescribed in section 262.08 (1), which notice shall state that application has been made for an examination into his mental condition (withholding the names of the applicants) and that such application will be heard at the time and place named in the notice; but if it appears to the satisfaction of the judge that the notice would be injurious or without advantage to the patient by reason of his mental condition, the service of notice may be omitted. The judge may, in his discretion, cause notice to be given to such other persons as he deems advisable. If the notice is served the judge may proceed to hold the hearing at the time and place specified therein; or, if it is dispensed with, at any time.

(b) The judge shall determine whether the patient is a war veteran. If he is, the judge shall promptly notify the state department of veterans' affairs, and in the event of commitment, he shall notify the nearest United States Veterans' Administration facility of the commitment.

(2) HEARING. At the hearing any party in interest may ex-

amine the physicians and other witnesses, on oath, before the judge and may offer evidence. At the opening of the hearing the judge shall state to the patient, if present, in simple, non-technical language the purpose of the examination and his right to be heard and to protest and oppose the proceedings and his commitment; but where it is apparent to the judge that the mentality of the patient is such that he would not understand, he may omit such statement. The hearing may be had in the court room or elsewhere and shall be open only to persons in interest and their attorneys and witnesses. Before making his decision the judge shall personally observe the patient.

(3) DISTRICT ATTORNEY TO HELP. If requested by the judge, the district attorney shall assist in conducting proceedings under this chapter.

(4) APPOINTMENT OF GUARDIAN AD LITEM. At any stage of the proceedings, the judge may, if he thinks the best interest of the patient requires it, appoint a guardian ad litem for him.

(5) JUDGE'S DECISION. At the conclusion of the hearing the judge may:

(a) Discharge the patient if satisfied that he is not mentally ill or infirm or deficient or epileptic, so as to require care and treatment, or

(b) Order him detained for observation if in doubt as to his mental condition, or

(c) Order him committed if satisfied that he is mentally ill or infirm or deficient or epileptic and that he is a proper subject for custody and treatment, or

(d) In case of trial by jury, order him discharged or committed in accordance with the jury verdict.

SECTION 5. 51.03 is revised to read:

51.03 JURY TRIAL. If a jury is demanded by the alleged mentally ill, infirm, deficient or epileptic patient or by a relative or friend in his behalf, before commitment, the judge shall direct that a jury be summoned to appear before him to determine the mental condition of the patient. The procedure shall be substantially like a jury trial in a civil action before a justice of the peace, and the 6 jurors shall be selected as in justice court. The judge may instruct the jurors in the law. No verdict shall be valid or received unless agreed to and signed by at least 5 of the jurors. At the time of ordering a jury to be summoned, the judge shall fix the date of the hearing,

which date shall be not less than 30 days nor more than 40 days after the demand for a jury is made. In the meantime the judge may order the patient temporarily detained in a designated public institution, until the date of hearing, for observation. The judge shall submit to the jury the following form of verdict:

STATE OF WISCONSIN

..... County.

Members of the Jury:

Do you find from the evidence that the patient..... (insert his name) is mentally ill or mentally infirm or mentally deficient or epileptic? Answer yes or no.

Answer

(Signature of jurors who agree to verdict)

SECTION 6. 51.04 is revised to read:

51.04 TEMPORARY DETENTION OF PERSONS. (1) EMERGENCY PROVISIONS. The sheriff or any other police officer may take into temporary custody any person who is violent or who threatens violence and who appears irresponsible and dangerous. This is an emergency provision intended for the protection of persons and property. Such person may be kept in custody until regular proceedings are instituted to cope with the case, but not exceeding 3 days.

(2) **FOR SAFETY.** If it appears from the application for his mental examination or otherwise that safety requires it, the judge may order the sheriff or other police officer who has such person in custody to confine him in a designated place for a specified time, not exceeding 10 days.

(3) **MEDICAL OBSERVATION.** Upon receipt of the report of the physicians the judge may order his detention in a designated institution for a stated period not exceeding 30 days. Upon the application of the superintendent of the institution or any interested person the judge may extend the detention period, but the temporary detention shall not exceed 90 days in all.

(4) **USE OF JAILS RESTRICTED.** No patient shall be detained in any jail or other place of confinement for criminals unless there is no other place of detention available which has been approved by the judge, or unless the patient is violent or dangerous and it is necessary to confine him in jail. If the patient is jailed, the officer shall immediately notify the county judge or district

judge, or in their absence, the judge of any other court of record.

SECTION 7. 51.05 is revised to read:

51.05 COMMITMENTS. (1) TO INSTITUTION. If the judge or jury finds that the patient is mentally ill or infirm and should be sent to a hospital for the mentally ill or infirm, the judge shall commit him to a hospital, stating in the commitment whether the notice specified in section 51.02 was served, and if not, the reasons. If the judge or a jury finds that the patient is mentally infirm, commitment may be to the facility mentioned in subsection (5). If it is found that the patient is mentally deficient or epileptic and should be committed, the commitment shall be to the northern colony and training school or the southern colony and training school.

(2) TO WHAT DISTRICT. Commitments of mentally ill or infirm persons from any county (other than a county having a population of 500,000) of persons whose mental illness has not become chronic, or who do not have legal settlement in the county, and commitments of chronic cases from a county not having a county hospital, shall be to the state hospital for the district in which the county is situated, unless the department consents to a different commitment.

(3) LEGAL SETTLEMENT RULE. If the patient has a legal settlement in a county which has a county hospital and the judge is satisfied that the mental illness or infirmity of the patient is chronic, he may commit him to the county hospital. If he has a legal settlement in a county having a population of 500,000, the commitment shall be to any of the county's hospitals for mental diseases, having due regard to the condition of the patient and the nature of his malady. If the patient has no legal settlement he shall be committed to a state hospital. The judge shall, in a summary manner, ascertain the place of the patient's legal settlement. The judge's findings shall be included in the order of commitment.

(4) TO AWAIT LEGAL PAPERS. If a patient is brought to or applies for admission to any hospital without a commitment or application or under a void or irregular commitment or application, the superintendent may detain him not exceeding 10 days to procure a valid commitment or application or for observation. If the patient needs hospitalization, in the opinion of the superintendent, he may make the application provided for in

section 51.01; and thereafter the proceedings shall be as upon other applications. His signature to the application shall suffice. The superintendent's application shall be made in the county where the institution is located.

(5) **MENTALLY INFIRM FACILITY.** The county board may provide a facility in the county home or hospital for the care and treatment of mentally infirm persons. Section 46.17 shall apply to such facilities.

SECTION 8. 51.06 (1) is revised to read:

51.06 EXECUTION OF COMMITMENT; EXPENSES. (1) The sheriff and such assistants as the judge deems necessary shall execute the commitment; but if any competent relative or friend of any patient so requests, the commitment may be delivered to and executed by him. For such execution he shall be entitled to his necessary expenses, not exceeding the fees and expenses allowed to sheriffs. The officer, unless otherwise ordered by the judge, shall on the day that a patient is adjudged mentally ill or infirm or deficient or epileptic, deliver him to the proper institution. Every female patient transported to a hospital shall be accompanied by a competent woman. The judge shall prescribe the kind of transportation to be used.

SECTION 9. 51.06 (2) is repealed.

SECTION 10. 51.01 (6) is renumbered 51.06 (2) and revised to read:

51.06 (2) Copies of the application for examination and of the report of the examining physicians and the adjudication and the commitment shall be delivered to the person in charge of the institution to which the patient is committed.

SECTION 11. 51.07 is revised to read:

51.07 FEES OF JUDGES, EXAMINING PHYSICIANS, WITNESSES; EXPENSES OF PROCEEDINGS. (1) Except in Milwaukee county, the judge shall receive a fee of \$5 for the hearing of an application for commitment and all matters and papers connected therewith.

(2) Unless previously fixed by the county board of the county in which the examination is held, the examining physician shall receive a fee of not less than \$4 nor more than \$10, as fixed by the examining judge, for each day that he is required to attend, and 10 cents per mile for necessary travel.

(3) Witnesses subpoenaed before the judge shall be entitled

to the same fees as witnesses before courts of record. Such fees and charges shall be paid by the county.

(4) Expenses of the proceedings, from the presentation of the application to the commitment or discharge of the patient, including a reasonable charge for a guardian ad litem, shall be allowed by the judge and paid by the county from which the patient is committed or discharged, in the manner that the expenses of a criminal prosecution in justice court are paid, as provided in section 59.77.

(5) If the patient has a legal settlement in a county other than the county from which he is committed or discharged, that county shall reimburse the county from which he was committed or discharged all such expenses. The county clerk on July 1 shall submit evidences of payments of all such proceedings on nonresident payments to the department, which shall certify such expenses for reimbursement in the form of giving credits to the committing or discharging county and assessing such costs against the county of legal settlement or against the state at the time of the annual audit.

SECTION 12. 51.08 is revised to read:

51.08 MAINTENANCE AND CLOTHING OF PATIENTS.

(1) The expense of maintenance, care and treatment of each patient in any state hospital shall be at the rate of \$5.40 per week, and in any county hospital or facility for the mentally infirm at the rate of \$5 per week. For each such patient maintained at public charge elsewhere than in the county of his legal settlement the whole rate shall be charged to the state and one-half charged over by the state against the county of his legal settlement. For other patients maintained at public charge one-half of said rate shall be charged to the state and one-half to the county of their legal settlement. When any patient is temporarily transferred from any state or county hospital to a hospital for surgical or medical care, the state credit provided for in this subsection shall continue during the period of such transfer. Such charges shall be adjusted as provided in section 46.106, but nothing herein shall prevent the collection of the actual per capita cost of maintenance or a part thereof by the department or by a county having a population of 500,000

(2) When any patient is committed or transferred to a state hospital, or to any county hospital or facility for the mentally

infirm in any county other than the county of his legal settlement, he shall be furnished with necessary clothing, the minimum to be determined by the department. If such clothing is not delivered the superintendent shall procure the clothing. Patients shall also be furnished with necessary dental work, but not to exceed \$35 each, with necessary glasses not to exceed \$15, with necessary nonsurgical hospital or clinic services for diagnosis, care, X-ray or treatment, and emergency surgical work; but before any expenditure is made for dental work, for glasses, or for nonsurgical hospital or clinic services, or emergency surgical work, an estimate of the cost shall be made by the visiting physician and the superintendent of the institution and forwarded to the department. If the department approves such expenditure, it shall be made. The expense incurred under this subsection shall be charged to the state and charged over to the county of the patient's legal settlement. In addition to the clothing required on admission, no county shall be liable for more than \$35 for clothing for one patient in any year.

SECTION 13. 51.09 is repealed.

SECTION 14. 51.26 (5) and (6) and 161.28 to 161.30 are consolidated, renumbered and revised to read:

51.09 INEBRIATES AND DRUG ADDICTS. (1) HEARING. If it appears to any judge of a court of record, by an application of 3 reputable adult residents of the county, that a resident of the county or person temporarily residing therein is an inebriate or a narcotic drug addict and in need of confinement or treatment, the judge shall fix a time and place for hearing the application, on reasonable personal notice to the person in question, requiring him to appear at the hearing, and shall summarily hear the evidence. The judge may require notice to be given to known relatives of the person. At such hearing if the judge finds that such person is an inebriate or a narcotic drug addict, and requires confinement or treatment, or that it is necessary for the protection of himself or the public or his relatives that he be committed, he may be committed to the county hospital or to Winnebago or Mendota state hospital. At the hearing the judge shall determine the person's legal settlement, and the county of such settlement shall be liable over for his maintenance and treatment. The

provisions against detaining patients in jails shall not apply to inebriates or drug addicts except in case of acute illness.

(2) **COMMITMENT.** The commitment of an inebriate or a drug addict shall be for such period of time as in the judgment of the superintendent of the institution may be necessary to enable him to take care of himself. He shall be released upon the certificate of the superintendent that he has so recovered. When he has been confined 6 months and has been refused such a certificate he may obtain a hearing upon the question of his recovery in the manner and with the effect provided for a re-examination under section 51.11.

(3) **VOLUNTARY PATIENTS.** Any adult resident of this state who believes himself to be an inebriate or a drug addict may make a signed application to the presiding judge of a court of record of the county where he resides to be committed to a hospital. His application must be accompanied by the certificate of a resident physician of the county that confinement and treatment of the applicant are advisable for his health and for the public welfare. The judge may act summarily upon the application and may take testimony. If he finds that the applicant satisfies the conditions of this section, he shall commit him as he would had there been an application under subsection (1), including a finding as to legal settlement.

(4) **CONDITIONAL RELEASE.** A conditional release may be granted to the inebriate or drug addict under the provisions of section 51.13.

(5) **TREATMENT OF DRUG ADDICTS.** The department shall provide treatment for drug addicts at the state institutions to which they are committed; and counties having a population of 500,000 shall provide treatment of drug addicts in local institutions to which they are committed. For each drug addict treated in such local institutions the county shall receive the same allowance from the state as it receives for the care of other patients in the same institutions.

SECTION 15. 51.10 is revised to read:

51.10 VOLUNTARY ADMISSIONS. (1) Any resident adult of this state, believing himself to be suffering from any mental disorder, upon his written application stating his condition, supported by the certificate of his physician, based upon personal examination, may be admitted as a voluntary patient to any suitable state or county institution without an order of the

judge and in the discretion of the superintendent. Any resident minor or incompetent may be admitted upon application signed by parent, spouse or legal guardian, supported by a like certificate.

(2) The superintendent shall forward to the county judge of the patient's residence a copy of his application. The judge shall determine the patient's legal settlement and certify the same to the superintendent. The county of his legal settlement (if he has one) shall be charged with his care, unless his care is privately paid for. A voluntary patient shall be subject to the same laws, rules and regulations as a regularly committed patient, except that he may leave at any time if, in the judgment of the superintendent, he is in fit condition, on 5 days' written notice to the superintendent of his intention to leave, given by the patient or his guardian. The patient shall not be detained over 35 days after such notice is given. If, in the opinion of the superintendent, the patient needs further hospitalization, he may make application in the county where the institution is located, as provided in section 51.01; and thereafter proceedings shall be as upon other applications. The superintendent's signature on the application shall suffice.

(3) If a voluntary patient is found to be a nonresident of this state and does not apply for a discharge, the superintendent shall make application for commitment to the county judge of the county where the institution is located, as provided in section 51.01. The application of the superintendent alone is sufficient.

(4) If at any stage of an inquiry under this chapter, the patient prefers to enter an institution voluntarily, the judge may permit him to become a voluntary patient pursuant to subsection (1) upon his signing an application therefor in the presence of the judge; and the judge may continue the hearing or dismiss the proceedings and shall notify the institution of his action.

SECTION 16. 51.11 is revised to read:

51.11 RE-EXAMINATION OF PATIENTS. (1) Except as otherwise provided in sections 51.21, 357.11 and 357.13, any person adjudged mentally ill or infirm or deficient or epileptic, or restrained of his liberty because of alleged mental illness or infirmity or deficiency or epilepsy, may on his own verified petition or that of his guardian or some relative or friend have

a re-examination before the judge of any court of record, either of the county from which he was committed or in which he is detained.

(2) The petition shall state the facts necessary to jurisdiction, the name and residence of the patient's general guardian, if he has one, and the name, location and superintendent of the institution, if the person is detained.

(3) The judge shall thereupon appoint 2 disinterested physicians, each having the qualifications prescribed in section 51.01, to examine and observe the patient and report their findings in writing to the judge. For the purpose of such examination and observation the judge may order the patient confined in a convenient place as provided in section 51.04.

(3a) If the patient is under commitment to a hospital, a notice of the appointment of the examining physicians and a copy of their report shall be furnished to such hospital by the judge.

(4) Upon the filing of the report the judge shall fix a time and place of hearing and cause reasonable notice to be given to the petitioner and to the hospital and to the general guardian of the patient, if he has one, and may notify any known relative of the patient. The provisions of section 51.02, so far as applicable, shall govern the procedure.

(5) If the judge determines that the patient is sane he shall enter judgment to that effect and order his discharge; if he shall not so determine, he shall order him returned under the original commitment, except that if he is at large on conditional release or leave, the judge may permit him so to continue. If a jury trial is demanded, the procedure shall, as near as may be, be the same as in section 51.03, and the judge's order or determination shall be in accordance with the jury's verdict.

(6) All persons who render services in such proceedings shall receive the same compensation and all expenses of such proceedings shall be paid and adjusted as provided in section 51.07.

(7) When a proceeding for retrial or reexamination is not pending in a court of record and a jury trial is not desired by the persons authorized to commence such proceeding, the department may, on application, determine the mental condition of any patient committed to any institution under this chapter, and its determination shall be recorded in the county court of the county in which the patient resides or from which he was committed, and such determination shall have the same

effect as though made by the county judge. The department may also, with or without application, if it has reason to doubt the mental illness or infirmity of any such patient, require the judge of the county from which he was committed or in which he is detained to determine his mental condition pursuant to this section.

(8) Subsequent re-examinations may be had at any time in the discretion of the judge but may be compelled after one year of the preceding one.

SECTION 17. 51.12, except subsection (7), is revised to read:

51.12 TRANSFER AND DISCHARGE OF PATIENTS; MENTALLY ILL VETERANS. (1) Patients may be transferred by the department from any state hospital or county hospital or facility to any other state hospital or county hospital or facility when the transfer would be for the best interest of the patient or for the benefit of other patients or to prevent the exclusion of patients whose cases are of a more hopeful character. This subsection shall not apply to veterans who are patients in the Wisconsin memorial hospital.

(2) The department may, if any county has not provided for the proper care of its mentally ill or infirm, direct their removal to the hospital or facility of any other county possessing suitable accommodations; and such removal shall be made at the expense of the county from which such patients are removed.

(3) The department may, with the approval of the committing court, transfer to any county hospital any inmate of the central state hospital committed under section 357.11 or 357.13, and may, without such approval, transfer to a county hospital any patient transferred to the central state hospital whose term has expired, if, in its opinion, the mental condition of such inmate or patient is chronic and he can be properly cared for in a county hospital.

(4) The superintendent of any state hospital, with the approval of the department, may at any time discharge any patient (including those on conditional release) who in his judgment is recovered, or who is not recovered but whose discharge will not be detrimental to the public welfare or injurious to the patient.

(5) When the department has notice that any person is entitled to receive care and support in a veterans' administration

facility, it shall, in co-operation with the department of veterans' affairs, procure his admission to said facility.

SECTION 18. 52.02 (4) is renumbered and revised to read:

51.12 (6) If the department, acting under section 51.11, determines that any person in any state or county institution under its jurisdiction is mentally deficient or epileptic, it may transfer him to an institution mentioned in section 51.22.

SECTION 19. 51.12 (7) is created to read:

(7) The department shall advise the department of veterans' affairs of the transfer or discharge or conditional release of any veteran.

SECTION 20. 51.125 is created to read:

51.125 TRANSFER FOR BETTER PLACEMENT. (1) If it appears to the department at any time that a patient should have been committed to a different institution, it may transfer him thereto. The department shall notify the committing judge of such transfer.

(2) If a change in the patient's condition makes it advisable that he be transferred to a different institution, the department may transfer him.

SECTION 21. 51.13 is revised to read:

51.13 CONDITIONAL RELEASE OF PATIENTS; PRESUMPTION OF COMPETENCY AND DISCHARGE BY LAPSE OF TIME. (1) The superintendent of the Mendota state hospital and of the Winnebago state hospital and of the Milwaukee county hospitals for mental diseases may grant any patient a conditional release if in his opinion it is proper to do so. If within one year after such release it becomes unsafe or improper to allow him to remain at large, the superintendent shall require his return to the hospital. If the superintendent so requests, the sheriff shall return the patient, and the costs incident to such return shall be paid out of the hospital's operating funds and be charged back to the county of the patient's legal settlement.

(2) The superintendent of any county hospital or home may, upon the written recommendation of the visiting physician, grant any patient a conditional release for such time and under such conditions as the physician directs, except patients transferred from the central state hospital, who may not be released without the consent of the department, and in the case

of those committed under sections 357.11 and 357.13, without also having the approval of the committing court.

(3) Upon the expiration of one year from the granting of a conditional release the authority of the superintendent to require the patient's return shall end, and the patient shall be presumed competent and his civil rights thereby restored.

SECTION 22. 51.14 is revised to read:

51.14 SUPERINTENDENT'S REPORTS TO COUNTY JUDGE; RECORD. When any person is committed to any hospital or home from any county other than the county of his legal settlement, the superintendent of such hospital or home shall immediately notify the county judge of the county of his legal settlement. The superintendent shall also notify such judge whenever any patient dies, is discharged, transferred, escapes, is conditionally released or returns from such release. The judge shall keep a record of the facts so reported.

SECTION 23. 51.15 is revised to read:

51.15 STATE HOSPITALS; DISTRICTS. The hospital for the mentally ill located at Mendota is known as the "Mendota State Hospital" and the state hospital located at Winnebago is known as the "Winnebago State Hospital." The department shall divide the state by counties into 2 districts, and from time to time may change the bounds of these districts, arranging them with reference to the number of patients supposed to be in them and the capacity of the hospitals and the convenience of access to them.

SECTION 24. 51.16 is reenacted.

SECTION 25. 51.17 and 51.26 (4) are consolidated, renumbered and revised to read:

51.17 PRIVATE PAY FOR PATIENTS. Any person may pay (in whole or in part) for the maintenance and clothing of any mentally ill or infirm or deficient person or epileptic or inebriate or drug addict, at any institution for the treatment of persons so afflicted; and his account shall be credited with the sums paid. He may also be likewise provided with such special care or attendant as is agreed upon with the superintendent, upon monthly payment in advance of the charges therefor.

SECTION 26. 51.18 is repealed.

SECTION 27. 51.134 is renumbered and revised to read:

51.18 FAMILY CARE; COSTS TO STATE; TO COUNTY.

The department may place any state hospital patient in a suitable family boarding home upon such terms and conditions as it determines, if it considers that such course would benefit the patient. The cost to the state of the supervision and maintenance of any patient so boarded out shall not exceed the average per capita cost of his maintenance in the state hospital. Bills for his board shall be payable monthly out of the operating funds of such state hospital and shall be audited as are other bills. The county of his legal settlement shall be charged with the rates and expenses provided under section 51.08 and such charges shall be adjusted in the same manner as if the patient were at the hospital. The department may visit and investigate such home and may return the patient to the hospital or place him in another home when deemed advisable. Such placement shall not be considered a conditional release.

SECTION 28. 51.19 is revised to read:

51.19 CHILD BORN IN HOSPITAL. A child born in any state or county hospital or state colony and training school shall be promptly removed therefrom by the mother's friends or by the county of her legal settlement. The superintendent shall petition the juvenile judge of the county in which the institution is located to make such removal, and until the child is removed the superintendent shall make suitable provision for its care and comfort, and charge all expenses to the county of the mother's legal settlement, to be adjusted as provided in section 46.106. The judge shall notify the juvenile judge of the county of the mother's legal settlement of the filing of such petition.

SECTION 29. 51.20 is revised to read:

51.20 RECORDS OF PATIENTS. The superintendent of each state hospital shall keep such records and make such reports as the rules and regulations of the department require.

SECTION 30. 51.21 is renumbered 51.21 (1) and revised to read:
