CHAPTER 536.

AN ACT to grant to the city of Madison certain submerged lands in Lake Mendota between the east line of Marston avenue as extended and a point 1350 feet easterly thereof for harbor purposes.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. All right, title and interest of the state of Wisconsin in and to the land submerged beneath the waters of Lake Mendota, adjacent to the shore of Lake Mendota and described as follows, to-wit:

Beginning at a point on the northwest property line of Sherman avenue, said point being south $19^{\circ} 26'$ west, 523 feet $31\frac{1}{2}$ inches of the east and west $\frac{1}{4}$ section line of section 12, town 7 north, range 9 east, in Dane county, Wisconsin; thence north $52^{\circ} 47'$ west to a point of intersection with the shoreline of Lake Mendota, said point of intersection being the point of beginning of the area in Lake Mendota to be described; thence north $52^{\circ} 47'$ west, 1000 feet; thence southwesterly on a straight line to a point of intersection with the northwesterly prolongation of the northeast property line of Marston avenue having a bearing of north $51^{\circ} 20'$ west,

said point of intersection being 1000 feet northwest of the shoreline of Lake Mendota measured along said northwesterly prolongation of the northeast property line of Marston avenue; thence south 51° 20' east along said prolongation to the shoreline of Lake Mendota; thence northeasterly along the shoreline of Lake Mendota to point of beginning,

are hereby granted to the city of Madison for the purpose of erecting thereon a pier and breakwater enclosing a harbor for navigation purposes. The pier and breakwater are not to exceed the dimensions hereinafter described and may be erected at any desirable point within the area granted to the city of Madison.

SECTION 2. The pier and breakwater shall not exceed 1,800 feet in length nor 100 feet in width on the top, but in addition thereto piers for the accommodation of boats may be constructed contiguous to and at angles projecting from said breakwater, the whole to be so constructed as to form a harbor for boats. The pier and breakwater shall have such openings and bridges as may be prescribed by the public service commission. Plans for the structure shall be approved by the public service commission, prior to commencement of construction.
