**CHAPTER 440.**

AN ACT to create 160.055 of the statutes, relating to safety measures in hotels at night.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

160.055 of the statutes is created to read:

160.055 HOTEL SAFETY. Every hotel with sleeping accommodations with more than 12 bedrooms above the first story shall, between the hours of 12 midnight and 6 a. m. provide a system of watchman patrol, or of mechanical and electrical devices, or both, adequate, according to standards established by the industrial commission, to warn all guests and employes in time to permit their evacuation in case of fire.

Approved July 7, 1949.
