SECTION 2. 110.07 (3) of the statutes is created to read:

110.07 (3) For the biennium 1949-1951, the commissioner of motor vehicles shall employ 15 additional traffic officers under chapter 16 who together with 10 officers already provided under subsection (1) shall constitute a separate unit under the direct supervision of the commissioner for the specific enforcement of the provisions of chapters 85, 110 and 194 dealing with the fees and licensing of trucks and the size, weight, construction, equipment and safe operation of such vehicles on the state highways and the incidental enforcement of all other provisions of such chapters. Such traffic officers shall have the powers provided in subsection (1). Nothing in this section shall preclude the use of other traffic officers for the same functions nor the use of all or part of the traffic officers assigned to this unit for other functions enumerated in subsection (1), when, in the opinion of the commissioner, it is considered impractical to use such officers for the specific enforcement of the statutes relating to the licensing, size and safe operation of trucks.
