CHAPTER 213

AN ACT to amend 50.06 (7) and 50.11 (3) of the statutes, relating to the fiscal report of the trustees of tuberculosis sanatoria to the state board of health.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 50.06 (7) of the statutes is amended to read:

50.06 (7) * * * On * * * each July 1 the trustees shall prepare a detailed financial report * * *, as specified in s. 46.18 (7) to (10), for the preceding fiscal year and shall transmit one copy to the state board of health, one copy to the county

clerk and keep one copy on file at the sanatorium. Such report shall be accompanied by an inventory of all properties on hand at the end of the fiscal year, an estimate of the receipts and expenses of the current year and the reports of the superintendent and visiting physicians. *A copy of this report shall be on file in the state board of health not later than August 15 following the close of the fiscal year.*

SECTION 2. 50.11 (3) of the statutes is amended to read:

50.11 (3) On each July 1, * * * the superintendent or other officer in charge of each county sanatorium shall prepare a statement of the amount due from the state to the county in which such institution is located, pursuant to law, for the maintenance, care and treatment therein of patients at public charge, on forms supplied by the state board of health. Such statement shall cover the preceding fiscal year and shall specify the name of each patient whose support is partly chargeable to the state, or wholly chargeable in the first instance to the state and partly chargeable over to some other county; and shall further specify, with respect to each patient, his legal settlement, the number of weeks for which support is charged, and the amount due to the county from the state, itemized as to board, clothing, dental, burial, surgical and transfer. The statement shall be verified by affidavit by the officer making it and certified by the trustees of the institution to the state board of health, for examination and approval, and a duplicate thereof shall be forwarded by the board to the county clerk of the county involved. The board shall give proper credit of the amount due the county for any recovery of maintenance and, when approved, the president and secretary of the board shall certify said statement to the director of budget and accounts, who shall pay the aggregate amount found due the county on March 22 next, except as otherwise provided in s. 50.11 (2). *Unless the statement of the amount due, properly prepared on forms furnished by the board is on file in the state board of health on or before August 15 following the close of the fiscal year just preceding, the board is not required to include the statement in its computation and statement of accounts for that fiscal year to be certified to the director of budget and accounts.*
