CHAPTER 338

AN ACT to amend 39.20 (1) (a) and (7) of the statutes, relating to the salary range of county supervising teachers.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

39.20 (1) (a) and (7) of the statutes are amended to read:

39.20 (1) (a) The county superintendent of a county having 50 or more departments under his supervision in the name of the county shall employ a supervising teacher, and, if there are more than 120 departments under his supervision, he shall employ 2 supervising teachers. The contract

shall provide for a leave of absence for the supervising teacher by reason of actual personal sickness, without deduction from salary of such teacher, at the rate of at least 5 days per year and accumulation of 30 days of unused sick leave from year to year. Any county entitled to employ 2 supervising teachers during the school year 1945-1946 shall continue to be entitled to employ that number until such time as the number of departments shall drop below 100. A single room school shall be considered as one department; a multiple room school shall be considered as having as many departments as there are * * * teachers each of whom has under his individual control and instruction a body of pupils assembled in a room or rooms.

(7) If it appears from an actual inspection by direction of the state superintendent that the work of such supervising teacher has been efficient, and that she has devoted her time exclusively to the duties of the position, the state superintendent shall certify, in favor of the county which employed her, the amount of the salary paid but not to exceed an amount to which such teacher is entitled under a salary schedule for supervising teachers to be adopted and promulgated by him which shall provide for a salary range of from * * * \$4,700 to \$7,800 per year, varying with length of service and professional training. The county shall also be entitled to reimbursement for the actual and necessary expenses paid to her * * * for the year preceding; the statement shall be filed with the department of administration, whereupon it shall draw its warrant for the proper amount in favor of the proper county treasurer.
