CHAPTER 446

AN ACT to repeal and recreate 20.365 (61) (intro. par.) and (b); and to create 20.365 (31) of the statutes, relating to the appropriation requisite to the building program of the Wisconsin exposition department.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 20.365 (31) of the statutes is created to read:

20.365 (31) CONSTRUCTION. If the moneys appropriated by sub. (61) (b) 3 are inadequate for the purposes specified by that subsection, annually, beginning July 1, 1963, there is appropriated from the general fund to the state exposition department a sum sufficient for the payment of rentals on leases and subleases entered into pursuant to s. 27.30 (3) (c) on projects designed by the state building commission when the projects are initiated.

SECTION 2. 20.365 (61) (intro. par.) and (b) of the statutes are repealed and recreated to read:

20.365 (61) (intro. par.) For the operation and conduct of the state fair, the state fair park and exhibits and fairs thereon, and for the payment of rentals and for permanent improvements and for acquisition of new projects:

(b) All receipts received for or on account of the operation of the state fair, the concessions or the rent or lease of the state fair park, or buildings thereon, except as provided by par. (g), shall be deposited in the general fund and are reappropriated for the following purposes:

1. On July 1, 1963, \$1,517,016 and on July 1, 1964, \$1,519,016 and annually thereafter to the state exposition department for operation and maintenance of the state fair, the state fair park and exhibits and fairs thereon, and for permanent property and improvements at the state fair park, provided that in the purchase of land the department shall comply

with s. 20.926. With the approval of the board on government operations, the appropriations made by this subsection may be supplemented from the receipts specified in the introductory paragraph.

2. The surplus of receipts after the appropriations are made by subd. 1 to the state exposition department as a nonlapsible appropriation for the acquisition of land, the payment of construction costs including architectural and engineering services, for furnishings and equipment, and for temporary financing, in connection with the providing of facilities for exposition purposes. It is the intent of the legislature that surplus receipts accruing after July 1, 1965 are to be reserved for the purposes specified under subd. 3.

3. On July 1, 1963, and annually thereafter a sum sufficient to the state exposition department from the surplus receipts after the appropriations are made by subds. 1 and 2 for the payment of rentals on leases and subleases entered into pursuant to s. 27.30 (3) (c), without limitation because of such payments being made from receipts derived in whole or in part from the operation of buildings and facilities other than those covered by such leases and subleases, on projects designated by the state building commission when the projects are initiated.

Approved December 24, 1963.
