AN ACT to amend 341.14 (1) of the statutes, as amended by chapter 332, laws of 1963, relating to disabled veterans eligible for special automobile license plates.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

341.14 (1) of the statutes, as amended by chapter 332, laws of 1963, is amended to read:

341.14 (1) Whenever any resident of this state who is registering or has registered his automobile submits a statement from the U.S. veterans administration certifying to the department that by reason of injuries sustained while in the wartime military service of the United States or while in the military service of the United States outside the United States he is disabled by paraplegia, amputation of leg, foot, both hands or if he is disabled by loss of use of a leg, foot, or both hands, minimum faulty vision of 20/200 or other condition certified to by the veterans administration resulting in an equal degree of disability (specifying the particular condition) so as not to be able to get about without great difficulty, the department shall procure, issue and deliver to him, plates of a special design in

lieu of the plates which ordinarily would be issued for the automobile. The plates shall be so designed as to readily apprise law enforcement officers of the fact that the automobile is owned by a disabled veteran and is entitled to the parking privileges specified in s. 346.50 (2). No charge in addition to the registration fee shall be made for the issuance of such plates.
