27.02 (1) In every county having a population of at least 150,000, but less than 500,000, and in any other county having a population of less than 500,000 wherein the county board has by resolution provided for a county park commission subject to ss. 27.02 to 27.06, the chairman of the county board shall appoint a county park commission consisting of 7 members, any number of which may be members of the county board. Such appointments shall be made in writing and filed in the office of the county clerk. The term of each member except county board members, shall be the 7 years next following July 1 of the year in which his appointment is made and until the appointment and qualification of his successor, except that the first 7 members shall be appointed respectively for such terms that on July 1 in each of the 7 years next following the year in which they are appointed the term of one member will expire. After such original appointment one commissioner shall be appointed annually in the month of June to succeed the member whose term will expire on July 1 next following, except that in counties having a population of at least 150,000 but less than 500,000, after August 1, 1939, such members shall be elected by the county board of supervisors. The term of any park commissioner appointed to the commission when he was a county board member shall end when his membership on the county board terminates, unless he is thereafter reappointed to the commission.
