

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 60.19 (1) (c) of the statutes is amended to read:

60.19 (1) (c) Increases or reductions in membership of town boards shall take effect from January 1 of the first odd-numbered year following the most recent decennial or special census, but ~~shall not be deemed to~~ do not create any vacancy on a town board prior to the spring election. ~~Commencing with the 1971 spring election or~~ At any spring election thereafter the town board of any town having a population of 2,500 or more may, subject to the authorization of the majority of the electors voting at an annual or special town meeting, consist of 5 supervisors elected at large. If the electors authorize expanding the town board to 5 supervisors and if the seats of the town board are numbered, the board may by ordinance stagger the terms of its supervisors, so that the chairperson and 2 supervisors running for even-numbered seats on the town board serve 2-year terms and the other 2 supervisors serve one-year terms, with each subsequent election for 2-year terms so that elections occur in both odd- and even-numbered years. If the electors authorize expanding the town board to 5 supervisors but the seats of the board are not numbered, the board may by ordinance stagger the terms of its supervisors, so that the chairperson and 2 supervisors receiving the highest number of votes in the next election serve 2-year terms and the other 2 supervisors serve one-year terms, with each subsequent election for 2-year terms so that elections occur in both odd- and even-numbered years. An ordinance to stagger the terms of supervisors may be adopted to apply to the initial election of 5 supervisors or to any subsequent election. Three members shall constitute a quorum of 5-member town boards.
