ages set under the relevant Internal Revenue Code section, so that future federal changes will be automatically reflected in state law.

* Section 991.11, WISCONSIN STATUTES: Effective date of acts. "Every act and every portion of an act enacted by the legislature over the governor's partial veto which does not expressly prescribe the time when it takes effect shall take effect on the day after its date of publication."

(b) reduced by the total of the alternate payee share transferred under par. (e) 1., in accordance with the actuarial tables in effect and using the participant's age on the decree date. The decree date shall be the effective date of recomputation. If the optional annuity form before division of the participant's account under par. (b) was not a joint and survivor annuity with the alternate payee as the named survivor, the same annuity option with no change in the remaining guarantee period, if any, shall be continued upon recomputation to the participant. The present value of the alternate payee's share of the annuity after division shall be paid to the alternate payee as a straight life annuity based on the age of the alternate payee on the decree date.
